Neely,2021-07-12 In Reimagining Social Medicine from the South Abigail H Neely explores social medicine s possibilities and limitations at one of its most important origin sites the Pholela Community Health Centre PCHC in South Africa The PCHC s focus on medical and social factors of health yielded remarkable success And yet South Africa s systemic racial inequality

hindered health center work and witchcraft illnesses challenged a program rooted in the sciences To understand Pholela s successes and failures Neely interrogates the social in social medicine She makes clear that the social sciences the PCHC used failed to account for the roles that Pholela s residents and their environment played in the development and success of its program At the same time the PCHC s reliance on biomedicine prevented it from recognizing the impact on health of witchcraft illnesses and the social relationships from which they emerged By rewriting the story of social medicine from Pholela Neely challenges global health practitioners to recognize the multiple worlds and actors that shape health and healing in Africa and beyond

Accelerating progress towards SDG2 - Policy effectiveness analysis Food and Agriculture Organization of the United Nations,2020-10-06 The Food and Nutrition Security Impact Resilience Sustainability and Transformation FIRST Programme represents a partnership between the Food and Agriculture Organization of the United Nations FAO and the European Union EU In 2018 the partnership agreed on the need to have a policy effectiveness analysis conducted in most of the FIRST countries As policy implementation rather than formulation is repeatedly raised as one of Pakistan s challenges this assessment considered the implementation challenges of specific policy processes relevant to the FAO EU partnership in the country rather than the entire suite of relevant policies It considered the necessary conditions to move forward and how best to meet these conditions including through more strategic resource allocation and more effective approaches to building institutional capacity

American Anthropology in Micronesia Robert C.
