

Poor Millie

George P. Matheos

Poor Millie:

Miss Con Agnes Giberne,1887 Summer Brave William Inge,1962 THE STORY Again as in Picnic the setting is a small town in Kansas and while the characters are essentially the same as in the earlier play there are subtleties and differences which give SUMMER BRAVE a distinctive and unique quality of its own Prov **Lippincott's Monthly Magazine** ,1895

Lockdown on Rikers Mary E. Buser,2024-05-01 Both a work of literature and an appeal to the nation s conscience in the tradition of Silent Spring and The Jungle Charles Duhigg Pulitzer Prize winning journalist *American Miscellany of Entertaining Knowledge* Francis Channing Woodworth,1854 **The Youth's Cabinet** ,1852 The Language of Comic Narratives Isabel Ermida,2008-12-10 The book offers a comprehensive account of how humor works in short stories by presenting a model of narrative comedy that is pragmatically as well as semantically grammatically and stylistically informed It is the first study to combine a sequential analysis of the comic short story with a hierarchical one merging together horizontal and vertical narratological perspectives in a systematic way The book covers the main areas of linguistic analysis and is deliberately interdisciplinary using input from philosophy sociology and psychology so as to touch upon the nature motivations and functions of humor as a cognitive phenomenon in a social context Crucially The Language of Comic Narratives combines a scholarly approach with a careful explanation of key terms and concepts making it accessible to researchers and students as well as non specialists Moreover it reviews a broad range of historical critical data by examining the source texts and it provides many humorous examples from jokes to extracts from comic narratives Thus it seeks to anchor theory in specific texts and also to show that many linguistic mechanisms of humor are common to jokes and longer literary comic narratives The book tests the model of humorous narratives on a set of comic short stories by British and American writers ranging from Evelyn Waugh and Dorothy Parker through Graham Greene and Corey Ford to David Lodge and Woody Allen The validity of the model is confirmed through a subsequent discussion of apparent counter examples

Miss Con Agnes Giberne,2024-08-19 Miss Con written by Agnes Giberne is a compelling narrative that delves into themes of identity societal expectations and self discovery It follows the life of Constance Con who struggles to navigate the rigid social structures and gender roles of her time Through Con s journey Giberne explores the constraints placed on women and the quest for personal freedom This resonates with contemporary issues such as gender equality self empowerment and the fight against societal norms In today s world where discussions around gender roles and personal identity are more prominent than ever Miss Con provides a historical perspective that enriches our understanding of these ongoing debates The protagonist s struggle against societal expectations mirrors the current movement towards breaking down gender stereotypes and advocating for more inclusive and diverse representations of identity Con s determination to define herself on her own terms is a powerful message of empowerment that continues to inspire modern readers Agnes Giberne s keen insights into the human condition and her portrayal of a woman s fight for autonomy make Miss Con not just a historical

piece but a timeless story It encourages readers to reflect on their own lives and the societal pressures they face urging them to seek authenticity and self acceptance This makes the book particularly relevant in an era where personal identity and gender politics are at the forefront of social discourse **The Runaway Jury** John Grisham,2010-03-16 1 NEW YORK

TIMES BESTSELLER In Grisham s most addictive courtroom thriller The Seattle Times justice is fighting for its life and the jury is caught in the crossfire of greed and corruption They are at the center of a multimillion dollar legal hurricane twelve men and women who have been investigated watched manipulated and harassed by high priced lawyers and consultants who will stop at nothing to secure a verdict Now the jury must make a decision in the most explosive civil trial of the century a precedent setting lawsuit against a giant tobacco company But only a handful of people know the truth that this jury has a leader and the verdict belongs to him He is known only as Juror 2 But he has a name a past and he has planned his every move with the help of a beautiful woman on the outside Now while a corporate empire hangs in the balance while a grieving family waits and while lawyers are plunged into a battle for their careers the truth about Juror 2 is about to explode Pure
