Walker,Jennifer Wise,2003-07-09 The Broadview Anthology of Drama Plays from the Western Theatre is a chronological presentation of 43 plays in two volumes ranging from the ancient theatre world to the present day Each chapter focuses on a specific period and begins with an insightful introduction sketching the historical and theatrical landscape of that period Contextualization for each play is provided through a thorough account of the literary and dramatic background of the play along with clear and comprehensive annotation In addition the editors have provided a glossary of terms used in the anthology to better equip students with a vocabulary for discussing the world of the stage      *Rooney Custom Text: ENGL 2302A: Literature and Cultures, 1500-1700* Broadview Custom Texts,2023-11-09 This is a Broadview Custom Text created for students in Professor Morgan Rooney s ENGL 2302A Literature and Cultures 1500 1700 course at Carleton University      Cruising in the Last War Charles Jacobs Peterson,1850      **The Works of William Shakspeare** William Shakespeare,1847      The Pilot, or Sailors' magazine. [Continued as] The Chart and compass British and foreign sailors' society,1882      Lectures to the Working Classes ... Rev. John Hanson,1858      *The Ancients and Shakespeare on Time* Piotr Nowak,2014-04-01 In The Ancients and Shakespeare on Time Piotr Nowak depicts a world where tradition devoid of gravity Sans teeth sans eyes sans taste sans everything attempts to curb the young and new while youth resists with all its power vitality and characteristic insolence The wars of generations which Nowak explores in the works of Plato Aristophanes and Shakespeare pertain to the essence and meaning of time They make up the dramatic tensions in the transgenerational dialogue between the old and the young      **Four Late Plays** William Shakespeare,2001 The Shakespeare comedies collected in this text are frequently known as the romances It is argued that they conclude in a spirit of hope as the main characters are reunited in an aura of reconciliation wrongs are righted and exiles returned to their homes      **Gems from Shakspeare** William Shakespeare,1854      *The Journal of Speculative Philosophy* ,1875      **The Journal of Speculative Philosophy** ,1875      **Imperial Ventures** Benjamin VanWagoner,2025-02-18 Links early modern English drama and empire studies exploring how staged scenes of maritime peril created a new form of economic uncertainty Imperial Ventures links early modern English drama and empire studies exploring how staged scenes of maritime peril created a new form of economic uncertainty around the turn of the seventeenth century amid London s explosion in commercial colonialism While the hazards of global maritime trade became increasingly apparent during the late sixteenth and early seventeenth centuries the word risk did not enter English usage until around 1660 The prevailing scholarly narrative has linked uncertainty to concepts such as chance accident and providence but this book reveals that these fragmentary concepts were reordered into an economic abstraction and that the theater was a key site for that process Playwrights reached for ways to represent this

new uncertainty and audiences watched perilous voyages set in colonial contexts and dramatized in increasingly typical forms Imperial Ventures is organized by these forms with five chapters examining scenes of shipwreck pirates enslavement colonial subjection and perilous news across a wide range of early modern plays Benjamin VanWagoner shows how maritime drama connected English venturing to economic vulnerability in increasingly systematic ways helping to develop the economic logic that would come to be codified as risk In revealing this process Imperial Ventures establishes the unique protocolonial status of early modern England in the theater and at sea and demonstrates how risk became a perverse instrument for justifying Anglophone imperialism **A Farewell Letter to His Parishioners** William James Early
