Poor Yet Making Many Rich:

The holy Bible, with a comm. and critical notes by A. Clarke Adam Clarke, 1836 *The Holy Bible ... With a Commentary and Critical Notes ... by Adam Clarke. A New Edition, with the Author's Final Corrections* ,1836 2 Corinthians Dr. Matthew N. O. Sadiku, 2014-12-12 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand 2 Corinthians in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible Second Corinthians has been described as the most autobiographical epistle Paul ever wrote At Corinth Paul s ministry was under fire and he was forced to defend himself Here we see Paul as Paul The epistle is thus an apologetic letter The message of 2 Corinthians is relevant for Christian life today **What Christ Thinks of the Church** John Stott, 2019-11-30 Christ s letters to the seven churches still resonate today Like those ancient churches most churches today lie somewhere on the continuum between flourishing and withering between faithfulness and faithlessness between comfort and persecution Using seven key themes John Stott illustrates the timeless relevance of Christ s exhortations and warnings to the universal church while pointing to Christ the Lamb turned Shepherd who knows the unique opportunities and challenges that face each church This is a helpful guide for preachers looking to feed their flock with this often visited passage from John s vision of the apocalypse Methodist Magazine John Wesley, 1844 *The Wesleyan-Methodist Magazine* ,1844 THE HOLY BIBLE, CONTAINING THE OLD AND NEW TESTAMENTS, WITH A Commentary and Crticial Notes ADAM CLARKE, LL.D., F.A.S., 1854 Crucifixion-Resurrection Edwyn C. Hoskyns, Francis N. Davey, 2004-10-05 Crucifixion Resurrection is the posthumous work of one of the great theological partnerships Sir Edwyn Hoskyns the pioneer of biblical theology in England and Noel Davey his student in whom he found the ideal literary collaborator It was conceived as the theological sequel to their first joint work *The Riddle of the New Testament* whose influence on generations of students has been incalculable Crucifixion Resurrection is concerned with the theology and ethics of the New Testament It offers a detailed exposition of the various New Testament interpretations of Christ s death penetrating to the heart of the message Christianity has to offer the world and plumbing spiritual depths which the Church rarely sounds today Present New Testament scholarship may have a more extensive technical equipment but does not necessarily come to better theological conclusions indeed the authentic Christian humanism of Hoskyns and Davey may speak to our time even more forcibly than to their own Crucifixion Resurrection has been edited by Gordon S Wakefield who completed the manuscript with the help of lectures left by Noel Davey Wakefield has also provided a substantial biographical account of the two authors **A Revelation of the**
