DEATH: Friend or Enemy? Ann Merivale,2025-01-28 Death as the saying goes is the great leveller and though many fear it while others view it as a blessed release its inescapability affects us all in some way The author of this unusual book makes use both of her spiritual reading and of the knowledge she gained from 20 plus years experience of taking her Deep Memory Process clients back to deaths in their previous lives thus giving a broad spectrum of possible post death scenarios These she illustrates with a combination of famous and fictional characters drawn both from accounts that came from the other side

through her figurative pen and from factual research Part of the book s aim is to dispel all fears of death itself and to demonstrate that the notion of eternal damnation is mistaken At the same time it shows the reader that whether a lifetime lasts 10 years as did Annie Darwin s or 97 like Bertrand Russell s it has a clear purpose and value The stories precise truth is however immaterial as you will find them enjoyable educational and reassuring **Ink Stains, Volume 2** Brian Becker,Melanie Marshall,Douglas Andrew Smith,Daniel Henshaw,J.D.
