Pop Princesses:

Pop Princess Rachel Cohn, 2015-03-17 From the coauthor of *Nick and Norah's Infinite Playlist* comes a slick and enjoyably glitzy read *BCCB* that captures the struggles and glories of an ordinary teenage girl's climb to celebrity When fifteen year old Wonder Blake is plucked from her job at the Dairy Queen and given the chance to become a teen idol it seems like a dream come true even if it wasn't her dream but her older sister Lucky's Lucky was on her way to becoming a pop star when she died and Wonder and her family are still trying to recover from their loss Offered a recording contract Wonder jumps at the chance to escape from a dead end town her fractured family and worst of all high school Suddenly she has it all a hot new look a chart busting hit single a tour opening up for superstar Kayla But stardom isn't all glamour it's also lots of work And maybe what Wonder really wants is as simple as a guy who likes her for herself As Wonder rises through the pop princess star making machine she also learns that there's a price for fame and that maybe being an ordinary teenage girl isn't so bad after all

The Go-Go's Beauty and the Beat Lisa Whittington-Hill, 2023-09-07 The Go Go's debut album *Beauty and the Beat* was released on July 8 1981 The album spent six weeks in the number one spot on the Billboard charts produced two hit singles and sold more than two million copies making it one of the most successful debut albums of all time *Beauty and the Beat* made the Go Go's the first and to date only female band to have a number one album who not only wrote their own songs but also played their own instruments *Beauty and the Beat* is a ground breaking album but the Go Go's are

often overlooked when we talk about influential female musicians The Go Go s were a feminist band and Beauty and the Beat a call to arms that inspired generations of women The band embraced the DIY spirit of Riot Grrrl before there was a Bikini Kill or a Bratmobile Girls making music on their own terms didn t start with Courtney Love or Beyonc or Billie Eilish it started with the Go Go s It started with Beauty and the Beat While they may have controlled their music the Go Go s couldn t control the misogyny of the music industry media and fans The sexist and tired stereotypes the Go Go s experienced 40 years ago still exist today The legacy of Beauty and the Beat is both a celebration of how the record inspired countless girls to make art and music on their own terms but also a painful reminder of how little has changed in how female musicians are marketed manipulated and discarded
