Pope And Pill More Documentation On The Birth Regulation Debate:

Pope and Pill Leo Pyle,1968 *Aquinas and the Theology of the Body* Thomas Petri,2016-04-22 Pope John Paul s Theology of the Body catecheses has garnered tremendous popularity in theological and catechetical circles Students of the Theology of the Body have generally interpreted it as innovative not only in its presentation of the Church s teaching on marriage and sexuality but also as radically advancing that teaching Aquinas and the Theology of the Body offers a somewhat different interpretation Fr Thomas Petri argues that the philosophy and theology of Thomas Aquinas substantially contributed to John Paul s intellectual formation which he never abandoned A correct interpretation of the Theology of the Body requires therefore a thorough understanding of Thomistic anthropology and theology which has been mostly lacking in commentaries on the pope s important contributions on the subject of marriage and sexuality Redeeming Masculinity Peter D. Holmes,2024-07-16 John Paul II spoke of a feminine genius using the phrase to describe the unique and positive contribution of women to relationships the church and society What of men There is considerable debate regarding the nature roles and responsibilities of men What does the church have to say to a boy or young man searching for guidance in developing a genuinely Christian manhood Or to parents schools and communities seeking to cultivate this in their young men Or to the faithful seeking to understand the church s teachings and to apply these in public and private life This book seeks to answer the question Is there a masculine genius Is there a unique and positive contribution men bring to relationships the church and society **The Schism of '68** Alana Harris,2018-03-02 This volume explores the critical reactions and dissenting activism generated in the summer of 1968 when Pope Paul VI promulgated his much anticipated and hugely divisive encyclical *Humanae Vitae* which banned the use of artificial contraception by Catholics Through comparative case studies of fourteen different European countries it offers a wealth of new data about the lived religious beliefs and practices of ordinary people as well as theologians interrogating traditional teachings in areas relating to love marriage family life gender roles and marital intimacy Key themes include the role of medical experts the media the strategies of progressive Catholic clergy and laity and the critical part played by hugely differing Church State relations In demonstrating the Catholic Church s important and overlooked contribution to the refashioning of the sexual landscape of post war Europe it makes a critical intervention into a growing historiography exploring the 1960s and offers a close interrogation of one strand of religious change in this tumultuous decade **It All Begins with the Kiss** Spencer F. Stopa,2022-11-23 Everyone likes to be kissed Whenever Jesus graces us and gives us the kiss of friendship we must respond Do we give Him the kiss of gratitude or like Judas the deceitful kiss inspired by the seven deadly sins Spencer F Stopa MA sacred theology Katholieke Universiteit Leuven is a retired psychiatric and rehab nurse His hobbies include gardening and reflecting on the human condition through a Christian lens He lives in Mesa Arizona with his wife of thirty nine years 120 **Sex and the Marriage Covenant** John F. Kippley,2005 The thesis of this book is that God intends that sexual intercourse should be at least

implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title *Sex and the Marriage Covenant* is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippely developed the covenant theology of sexuality described in this book The Ampleforth Journal ,1968 »Wenn die Chemie stimmt ..." Lutz Niethammer,Silke Satjukow,2016-12-05 Die Pille und ihre globalen Auswirkungen Die Pille ver nderte die Welt Im Osten wie im Westen entwickelte sie sich zum zentralen Symbol einer sexuellen Revolution stellte die berkommenen Normengef ge in Frage und die Machtverh ltnisse der Geschlechter auf den Kopf mit weitreichenden Folgen Ihre Markteinf hrung Anfang der sechziger Jahre geriet zu einer fundamentalen Herausforderung nicht nur f r die Frauen und M nner auf allen Kontinenten f r ihr Sexualleben und f r ihre Familienplanung Herausgefordert f hlten sich auch die H ter traditioneller Werte in Politik Religion und Kultur Manche Gesellschaften hie en das Pharmazeutikum der Moderne willkommen andere verweigerten sich strikt *The Giving and Taking of Life* James Tunstead Burtchaell,1989 A discussion of the development of the central tenets of liberal Catholic Christian ethics The author contends that moral wisdom does not derive from either moral law or ecclesiastical authority but emerges from active reflection on the experience of those living out of the traditions of a community of believers In particular he develops the insight that it is in giving and sustaining life that we come to life As many outside the tradition from which he writes share this insight and because he appeals to considerations shared by non Catholic even humanistic traditions Burtchaell s book will be of interest to anyone concerned about the controversial positions he takes on leading moral issues of the day such as contraception abortion research on aborted foetal tissue liberation theology terrorism and the relationship between law and morality AFER ,1969 Population Growth and Justice Ronald Michael Green,1976 *World Justice* ,1970 *The Sexual Language* André Guindon,1976 The British National Bibliography Cumulated Subject Catalogue ,1968 The British National Bibliography Arthur James Wells,1968 **The Cumulative Book Index** ,1969 A world list of books in the English language **Zambia Library Service Bulletin** Zambia.
