came and to which he returned in 2015 as well as surveying the impact of the Latin American theology of the people on the Pope's visit to the U S. Additional essays address theological, historical, and pastoral engagements that cut across several of the visits. The final group of essays is dedicated to the visits themselves and is arranged in the order that they occurred. Pope Francis and the Search for God in America is offered to all the members of the Church in America, South and North, old and young, with the hope that it will spur even more thought, reflection, prayer, and service.
