Landa, 1949 **Pope and His Contemporaries** James Lowry Clifford, 1949 *Pope and his contemporaries : essays presented to George Sherburn* James Lowry Clifford, 1949 *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson, 1940 *The Poetry of Pope's Dunciad* John E. Sitter, 1971 **The Concise Cambridge Bibliography of English Literature** George Watson, **The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800** George Watson, Ian R. Willison, 1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Poetry and the Making of the English Literary Past, 1660-1781* Richard G. Terry, 2001 The book concludes that the opening up and ordering of the English literary past occurs earlier than is generally supposed and the same also applies to the process by which women writers achieve their own distinctive form of canonical recognition **BOOK JACKET**

*The Secret History in Literature, 1660-1820* Rebecca Bullard, Rachel Carnell, 2017-03-24 Secret history with its claim to expose secrets of state and the sexual intrigues of monarchs and ministers alarmed and thrilled readers across Europe and America from the mid seventeenth to the mid nineteenth century Scholars have recognised for some time the important position that the genre occupies within the literary and political culture of the Enlightenment Of interest to students of British French and American literature as well as political and intellectual history this new volume of essays demonstrates for the first time the extent of secret history's interaction with different literary traditions including epic poetry Restoration drama periodicals and slave narratives It reveals secret history's impact on authors readers and the book trade in England France and America throughout the long eighteenth century In doing so it offers a case study for approaching questions of genre at moments when political and cultural shifts put strain on traditional generic categories *Print, Visuality, and Gender in Eighteenth-Century Satire* Katherine Mannheimer, 2012-05-23 This study interprets eighteenth century satire's famous typographical obsession as a fraught response to the Enlightenment's ocularcentric epistemological paradigms as well as to a print cultural moment identified by book historians as increasingly visual a moment at which widespread

attention was being paid for the first time to format layout and eye catching advertising strategies On the one hand the Augustans were convinced of the ability of their elaborately printed texts to function as a kind of optical machinery rivaling that of the New Science enhancing readers physical but also moral vision On the other hand they feared that an overly scrutinizing gaze might undermine the viewer s natural faculty for candor and sympathy delight and desire In readings of Pope Swift and Montagu Mannheimer shows how this distrust of the empirical gaze led to a reconsideration of the ethics and most specifically the gender politics of ocularcentrism Whereas Montagu effected this reconsideration by directly satirizing both the era s faith in the visual and its attendant publishing strategies Pope and Swift pursued their critique via print itself thus whether via facing page translations fictional editors or disingenuous footnotes these writers sought to ensure that typography never became either a mere tool of or target for the objectifying gaze but rather that it remained a dynamic and interactive medium by which readers could learn both to see and to see themselves seeing Studies in Criticism and Aest

Howard Anderson, Representations of Swift Brian A Connery, 2003 These thirteen essays offer not only the representations of Swift to which its title refers but also a representation of Swift scholarship at the close of the twentieth century and a return to fundamental questions about the life writing and views of Swift issues raised in part by literary scholarship s return to historicism but also powerfully suggestive of a return to biography **The Dunciad in Four Books** Valerie Rumbold, 2014-06-11 The Dunciad in Four Books of 1743 was the culmination of the series of Dunciads which Alexander Pope produced over the last decade and a half of his life It comprises not only a poem but also a mass of authorial annotation and appendices and this authoritative edition is the only one available which gives all the verse and the prose in a clearly laid out form with a full modern commentary Accessibly presented on the same page as Pope s text are explanatory notes written in a style adapted to the needs of undergraduate readers but still comprehensive enough to address the interests of scholars The many books and pamphlets to which Pope refers have been examined in detail and the commentary takes advantage of the fifty years scholarship on literary bibliographical cultural and political aspects of the period which has accumulated since James Sutherland s The Dunciad volume five of the Twickenham Edition A substantial introduction offers a stimulating and helpful approach to the work and the bibliography includes extensive suggestions for further reading

*Mock-Epic Poetry from Pope to Heine* Ritchie Robertson, 2009-11-12 This is a study of mock epic poetry in English French and German from the 1720s to the 1840s While mock heroic poetry is a parodistic counterpart to serious epic mock epic poetry starts by parodying epic but moves on to much wider and richer literary explorations it relies heavily on intertextual allusion to other works on narratorial irony on the sympathetic and sometimes libertine presentation of sexual relations and on a range of satirical devices It includes well known texts Pope s Dunciad Byron s Don Juan Heine s Atta Troll and others which are little known Ratschky s Melchior Striregel Parny s La Guerre des Dieux It owes a marked debt to Italian romance epic especially Ariosto The study places these texts in the literary context of the decline of serious epic which helped mock

epic to flourish and of the Querelle des Anciens et des Modernes which questioned the authority of Homer's and Virgil's epics and it relates their substance to contemporary debates about questions of religion and gender *The Eighteenth-century British Novel and Its Background* Henry George Hahn, Carl Behm, 1985 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) Letters from the Grand Tour Joseph Spence, 1775-01-01

**Factions' Fictions** Daniel Eilon, 1991-07 An understanding of the linguistic political and moral ramifications of Private Spirit the parochialism and partiality typical of clubs parties and cabals provides insights into the logic behind Swiftian polemic and satire Swiftian satire an essentially private joke offering exclusive satisfaction to an elite fraternity of insiders is shown to be a creative rhetorical adaption of private spirit
