Carroll,2021-03-23 Courageous and inspiring Karen Armstrong author of The Case for God James Carroll takes us to the heart of one of the great crises of our times Stephen Greenblatt author of The Swerve An eloquent memoir by a former priest and National Book Award winning writer who traces the roots of the Catholic sexual abuse scandal back to the power structure of the Church itself as he explores his own crisis of faith and journey to renewal NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY James Carroll weaves together the story of his quest to understand his personal beliefs and his relationship to the Catholic Church with the history of the Church itself From his first awakening of faith as a boy to his gradual disillusionment as a Catholic Carroll offers a razor sharp examination both of himself and of how the Church became an institution that places power and dominance over people through an all male clergy Carroll argues that a male supremacist clericalism is both the root cause and the ongoing enabler of the sexual abuse crisis The power structure of clericalism poses an existential threat to the Church and compromises the ability of even a progressive pope like Pope Francis to advance change in an institution accountable only to itself Carroll traces this dilemma back to the Roman Empire and the Middle Ages when Scripture Jesus Christ and His teachings were reinterpreted as the Church became an empire In a deeply personal re examination of self Carroll grapples with his own feelings of being chosen his experiences as a priest and the moments of doubt that made him leave the priesthood and embark on a long personal journey toward renewal including his tenure as an op ed columnist at The Boston Globe writing about sexual abuse in the Church Ultimately Carroll calls on the Church and all reform minded Catholics to revive the culture from within by embracing anti clerical anti misogynist resistance and staying grounded in the spirit of love that is the essential truth at the heart of Christian belief and Christian life

Leading Minds Howard E Gardner,2011-12-06 Drawing on his groundbreaking work on intelligence and creativity Harvard psychologist Howard Gardner developer of the theory of Multiple Intelligences offers fascinating revelations about the mind of the leader and his or her followers He identifies six constant features of leadership as well as paradoxes that must be resolved for leadership to be effective using portraits of leaders from J Robert Oppenheimer to Alfred P Sloan from Pope John XXIII to Mahatma Gandhi **Ascend** Eric Stoltz,Vince Tomkovicz,2009 This book is a contemporary scripture rich and visual exploration of the Catholic faith for young adults There are chapter profiles on Christian role models

from both ancient and modern times and discussions of contemporary events from a Christian perspective Adapted from back cover

Introducing Protestant Social Ethics Brian Matz, 2017-03-14 Despite their rich tradition of social concern Protestants have historically struggled to articulate why whether and how to challenge unethical social structures This book introduces Protestants to the biblical and historical background of Christian social ethics inviting them to understand the basis for social action and engage with the broader tradition It embraces and explains long standing Christian reflection on social ethics and shows how Scripture and Christian history connect to current social justice issues Each chapter includes learning outcomes and chapter highlights

A Passion for Life Joan Chittister, 2014-01-10 Reflections by Joan Chittister with icons by Robert Lentz present over two dozen saints and prophets from Hildegard of Bingen to Martin Luther King Jr who speak to the urgent spiritual questions of our time

Popes, Councils, and Theology Owen F. Cummings, 2021-06-15 Do you wish to understand something of the contemporary Catholic Church If you do then this book is for you It offers a careful overview of the history of the church from the mid nineteenth century with Pope Pius IX until the present day with Pope Francis It deals with two major councils of the church Vatican I 1869 70 and Vatican II 1962 65 Furthermore it provides a detailed and accurate summary of the major theological movements in the church during this period

Crossing the Street Robert LaRoche, 2022-04-18 The rift between Protestants and Roman Catholics continues to separate Christians from one another and to diminish our witness in the world Words such as heretic apostate idolater and papist have characterized much of the discussion over the last several centuries since the reformation While changes in both groups over the last few decades have improved the tone of the discussion much remains to be accomplished Author Bob LaRoche as a former Roman Catholic and now a United Church of Christ minister is well equipped to guide us toward a more constructive relationship Crossing the Street speaks to the heart of the Energion Publications mission statement by advocating a mainstream ecumenical center in which Roman Catholics and Protestants can come to a deeper appreciation and understanding of the gifts they bring to one another It demonstrates ways in which these traditions have misunderstood one another and even themselves and then proposes strategies for both ecumenical cooperation and self understanding This book is founded in a thorough understanding of both traditions and a commitment to ecumenical dialog and cooperation It addresses both theory and practice In a series of four chapters it examines how we live in our own houses the author's own story and then the gifts that each group offers the other This second edition includes a new preface updating the book concerning changes in the Roman Catholic church under Pope Francis along with connected changes in the relationship between Roman Catholics and Protestants

The Pius War Joseph Bottum, David G. Dalin, 2004-01-01 In The Pius War Joseph Bottum has joined with rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII The Pius War and the detailed annotated bibliography that

follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II **Eternity in the Midst of Time** Fr. Wilfrid

Stinissen,2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us Earthly Mission Robert Calderisi,2013-10-08 With 1.2 billion members the Catholic Church is the world's

largest organization and perhaps its most controversial The Church's obstinacy on matters like clerical celibacy the role of women birth control and the child abuse scandal has alienated many Catholics especially in the West Yet in Africa Asia and Latin America the Church is highly esteemed for its support of education health and social justice In this deeply informed book Robert Calderisi unravels the paradoxes of the Catholic Church's role in the developing world over the past 60 years Has the Catholic Church on balance been a force for good Calderisi weighs the Church's various missteps and poor decisions against its positive contributions looking back as far as the Spanish Conquest in Latin America and the arrival of missionaries in Africa and Asia He also looks forward highlighting difficult issues that threaten to disrupt the Church's future social role The author's answer to the question he poses will fascinate Catholic and non Catholic readers alike providing a wealth of insights into international affairs development economics humanitarian concerns history and theology **Religious**

Celebrations Bloomsbury Publishing,2011-09-13 This two volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe Religious Celebrations is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the world's major religious communities as well as many of the minor faith traditions The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries providing information on numerous celebratory activities never before covered in a reference work Offering the most comprehensive coverage of religious holidays ever assembled this two volume book covers festivals commemorations holidays and annual religious gatherings all over the world with special attention paid to the celebrations in larger countries Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event be it fasting or feasting frenzied activity or the universal cessation of work a huge gathering of the faithful en masse or a small family centered event The work spotlights celebrations

that currently exist without overlooking now abandoned celebrations that still impact the modern world **Choice** ,2002

Life Lessons Augustine Etemma Inwang MSP,2015-08-06 This book is the product of my blog Lifes Lessons I am happy to share it with you The reflections therein are not a product of an in depth research into the problems of life Neither are they an exhaustive treatise on the topics reflected upon Great theologians and spiritual writers have dealt extensively and systematically on the problems of life Having sat at their feet as a priest for twenty five years read prayed and reflected on the Holy Bible and had the opportunity to preach to the people of God during this period I hereby offer my brief reflections on the lessons of life as I see it gleaned from my experiences The Pontiff in Winter John Cornwell,2007-12-18 Over more than a quarter of a century John Paul II has firmly set his stamp on the billion member strong Catholic Church for future generations and he has become one of the most influential political figures in the world His key role in the downfall of communism in Europe as well as his apologies for the Catholic Church s treatment of Jews and to victims of the Inquisition racism and religious wars won him worldwide admiration Yet his papacy has also been marked by what many perceive as misogyny homophobia and ecclesiastical tyranny Some critics suggest that his perpetuation of the Church s traditional hierarchical paternalism contributed to pedophilia behavior in the priesthood and encouraged superiors to sweep the crimes under the carpet The Pontiff in Winter brings John Paul s complex contradictory character into sharp focus In a bold highly original work John Cornwell argues that John Paul s mystical view of history and conviction that his mission has been divinely established are central to understanding his pontificate Focusing on the period from the eve of the millennium to the present Cornwell shows how John Paul s increasing sense of providential rightness profoundly influenced his reactions to turbulence in the secular world and within the Church including the 9 11 attacks the pedophilia scandals in the United States the clash between Islam and Christianity the ongoing debates over the Church s policies regarding women homosexuals abortion AIDS and other social issues and much more A close trusted observer of the Vatican Cornwell combines eyewitness reporting with information from the best sources in and outside the pope s inner circle Always respectful of John Paul s prodigious spirit and unrelenting battles for human rights and religious freedom Cornwell raises serious questions about a system that grants lifetime power to an individual vulnerable to the vicissitudes of aging and illness The result is a moving elegiac portrait of John Paul in the winter of his life and a thoughtful incisive assessment of his legacy to the Church This I Believe Paul E. Dinter,2022-10-18 The collision of COVID 19 and Christmas 2020 provoked Paul Dinter to try and make sense of Christianity s ancient narrative of good news Seeing the virus as a surrogate for many unseen perils confronting our world he determined to revisit not only December s strange yet familiar story but also the stranger beliefs built upon it Examining the larger Christian narrative of salvation as captured in the Apostles Creed makes up the body of the book in which Dinter delves into its symbolic and mythic character as the surest place to find what Christianity still has to offer a hurting world For beginning with Jesus birth narratives through the book of Revelation a through line runs along an axis that sees dilemmas about

Christian faith resolved in doing justice Brief sketches of racial economic ecological environmental gender sexual and reproductive justice spell out Dinter s case When the Creed ends with the expectation of the world to come it captures the message of the prophets Jesus and Paul s expectations of the coming kingdom and Revelation s culminating vision It commits believers to contribute to a future human community where the justice of God will reside more fully **The Entity** Eric Frattini,2024-07-02 International Bestseller Meticulously documented Frattini gives us an exclusive look at the hidden face of the papacy revelations that send a chill up the spine Le Monde For five centuries the Vatican the oldest organization in the world maker of kings and shaper of history has used a secret spy service called the Holy Alliance or later the Entity to carry out its will Forty popes have relied on it to carry out their policies They have played a hitherto invisible role confronting de Christianizations and schisms revolutions and dictators colonizations and expulsions persecutions and attacks civil wars and world wars assassinations and kidnappings For the first time in English following the bestselling Spanish and French editions Eric Frattini tells the comprehensive tale of this sacred secret service The Entity has been involved in the killings of monarchs poisonings of diplomats financing of South American dictators protection of war criminals laundering of Mafia money manipulation of financial markets provocation of bank failures and financing of arms sales to combatants even as their wars were condemned all in the name of God The contradiction between God s justice and Earth s justice Christian beliefs and Christian power all fall before the motto of the Entity With the Cross and the Sword A true story that surpasses any novel by John le Carr El Pa s Spain An investigation worthy of a Pulitzer Frattini puts all the secrets of the Vatican out on the table Di rio de Noticias Portugal A devastating book Valeurs France A must read El Universal Mexico **Heretics and Heroes** Thomas Cahill,2013-10-29 The New York Times bestselling author of How the Irish Saved Civilization reveals how the innovations of the Renaissance and the Reformation changed the Western world Cahill is our king of popular historians The Dallas Morning News This was an age in which whole continents and peoples were discovered It was an era of sublime artistic and scientific adventure but also of newly powerful princes and armies and of unprecedented courage as thousands refused to bow their heads to the religious pieties of the past In these exquisitely written and lavishly illustrated pages Cahill illuminates as no one else can the great gift givers who shaped our history those who left us a world more varied and complex more awesome and delightful more beautiful and strong than the one they had found
