National Union Catalog, 1981 ,1982 **The Palgrave Encyclopedia of American Horror Film Shorts** Gary D. Rhodes,David J. Hogan,2022-07-26 The Palgrave Encyclopedia of American Horror Film Shorts chronicles for the first time over 1 500 horror and horror related short subjects theatrically released between 1915 at the dawn of the feature film era when shorts became a differentiated category of cinema and 1976 when the last of the horror related shorts were distributed to movie theaters Individual entries feature plot synopses cast and crew information and where possible production histories and original critical reviews A small number of the short subjects catalogued herein are famous such as those featuring the likes of Buster Keaton Laurel and Hardy The Three Stooges Bugs Bunny and Daffy Duck but the bulk are forgotten The

diverse content of these shorts includes ghosts devils witches vampires skeletons mad scientists monsters hypnotists gorillas dinosaurs and so much more including relevant nonfiction newsreels Their rediscovery notably rewrites many chapters of the history of horror cinema from increasing our understanding of the sheer number horror films that were produced and viewed by audiences to shedding light on particular subgenres and specific narrative and historical trends *1996 Toys and Prices Case*,1995-09 *Haunted* Dorah L. Williams,2002-04-01 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate no one ever seemed to live in it for a long period of time But that curiosity didn't last long because shortly after moving in strange things began to happen It became abundantly clear that the home's past owners had all had a reason for leaving fear The Williams new home was haunted At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts *Haunted* is the Williams family's story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house And we join the family as they seek a way to bring an end to the paranormal events that were occurring with ever more frequency and intensity and learn why the events began in the first place **Doing Their Bit** Michael S. Shull,David E.
