Poplarism, 1919-1925 Noreen Branson, 1979 **George Lansbury** John Shepherd, 2002-09-19 The most lovable figure in modern politics was how A J P Taylor described the Christian pacifist George Lansbury At 73 he took over the helm of the Labour Party of only 46 MPs in the Depression years of the 1930s Throughout a remarkable life Lansbury remained an extraordinary politician of the people associated with a multitude of crusades for social justice He resigned from Parliament to support Votes for Women and for the next ten years edited the fiery Daily Herald In 1921 Lansbury led the Poplar Rates Rebellion when thirty Labour councillors went willingly to prison in defiance of the government the courts and their own party leadership As Labour leader Lansbury was known universally as a committed socialist an implacable opponent of capitalism and imperialism He never sought personal wealth travelled everywhere by public transport and made his home in impoverished East London His final years were spent in a tireless international peace crusade to prevent the drift towards another world war In this major new biography John Shepherd draws on an impressive range of research to reconstruct the life of a charismatic Labour pioneer He reaffirms George Lansbury s standing at the heart of Old Labour and his importance to British politics as a whole

Hendriks, Anders Lidström, 2012-11-08 The Oxford Handbook of Local and Regional Democracy in Europe analyses the state of play of democracy at the subnational level in the 27 member states of the EU plus Norway and Switzerland It places subnational democracy in the context of the distinctive Anglo the French the German and Scandinavian state traditions in Europe asking to what extent these are still relevant today The Handbook adapts Lijphart's theory of democracy and applies it to the subnational levels in all the country chapters A key theoretical issue is whether subnational regional and local democracy is derived from national democracy or whether it is legitimate in its own right Besides these theoretical concerns it focuses on the practice of democracy the roles of political parties and interest groups and also how subnational political institutions relate to the ordinary citizen This can take the form of local referendums or other mechanisms of participation The Handbook reveals a wide variety of practices across Europe in this regard Local financial systems also reveal a great variety Finally each chapter examines the challenges facing subnational democracy but also the opportunities available to them to enhance their democratic systems Among the challenges identified are Europeanization globalization but also citizens disaffection and switch off from politics Some countries have confronted these challenges more successfully than others but all countries face them An important aspect of the Handbook is the inclusion of all the countries of East and Central Europe plus Cyprus and Malta who joined the EU in 2004 and 2007 This is the first time they have been examined alongside the countries of Western Europe from the angle of subnational democracy Christian Socialism as Political Ideology Anthony A.J. Williams, 2020-11-12 In this book Anthony Williams investigates the history of Christian Socialist thought in Britain from the late nineteenth to mid twentieth century Through analysis of the writings of ten key Christian Socialists from the period Williams reframes the ideology of Christian Socialism as a coherent and influential body of political thought moving the study of Christian Socialism away from historical narratives and towards political ideology The book sheds new light on a key period in British political development in particular Williams demonstrates how the growth of the Christian Socialist movement exercised a profound impact on the formation of the British Labour party which would go on to radically change 20th century politics in Britain **Sing As We Go** Simon Heffer, 2023-09-21 An epic new history a work of epic scholarship breathtaking range and piercing originality Daily Express An astonishing achievement of narrative history I think the word is magisterial Spectator Excellent thorough detailed and combatively argued Sunday Times
