ONE OF THE KNOTTIEST problems you will encounter in planning the power-tool equipment for your workshop is what tools to buy. In the first place one must keep in mind that it is not possible to construct the equipment and the returns from it on a year-to-year basis in dollars and cents. When you purchase golf clubs you don't bother with such details and you get exactly the way to classify the purchase of your power tools. If you like to work with wood and metals, then there is no loss on initial investment.
