Populism In Latin America:

Populism in Latin America Michael L. Conniff, 2012-07-31 This updated edition of *Populism in Latin America* discusses new developments in populism as a political phenomenon and the emergence of new populist political figures in Mexico Argentina and Venezuela in particular For more than one hundred years from the beginning of the twentieth to the early twenty first century Latin American populists proved amazingly successful at gaining high office holding on to power maintaining their followings and renewing their careers They raised more campaign money got more voters to the polls and held followers allegiances far better than traditional politicians Certainly some populist leaders were corrupt others manipulated their followers and still others disgraced themselves Nevertheless populist leaders were extraordinarily effective in reaching masses of voters and some left positive legacies for future generations *Populism in Latin America* examines the notion of populism in the political and social culture of Latin American societies as expressed through the populist leaders of several Latin American countries including Argentina Brazil Mexico Chile Ecuador Panama Peru and Venezuela This second edition also includes a new preface by Kenneth M Roberts professor of comparative and Latin American politics and the Robert S Harrison Director of the Institute for the Social Sciences at Cornell University Contributors Jorge Basurto Michael L Conniff Paul W Drake Steve Ellner Joel Horowitz Kenneth M Roberts W Frank Robinson Ximena Sosa Steve Stein Kurt Weyland

Explaining Support for Populism in Contemporary Latin America Dinorah Azpuru, 2024-08-05 *Explaining Support for Populism in Contemporary Latin America* investigates the stronghold that populism exerts on citizens in the developing world More specifically relying on regional surveys this book explores why many citizens consistently supported eight populist presidents who were elected in contemporary Latin America It examines the determinants of support for the populist presidents who governed Venezuela Ecuador Bolivia and Nicaragua between 1999 and 2019 and the variables that explain support for the most recent populist presidents in Mexico Brazil and El Salvador between 2018 and 2023 Unique to this approach is a strong emphasis on the demand side of populism and the use of country specific survey data across the years This book explores the determinants of support for populist presidents in four dimensions demographic variables ideological and policy preference variables performance variables and variables related to representative democracy Understanding what drives people to support populist leaders is critical for revitalizing representative democracy in Latin America Furthermore insights about the factors that lead citizens to support populism in Latin America can also inform the analysis of support for populism in other parts of the world

Right-Wing Populism in Latin America and Beyond Anthony W. Pereira, 2023-06-02 With contributions from 22 scholars and empirical material from 29 countries within and beyond Latin America this book identifies subtypes of populism to further understand right wing populist movements parties leaders and governments It seeks to examine whether the term populism continues to have any validity and what relationships it has to democracy Part 1 is an exploration of populism as an analytical concept It asks how populism can and should be

defined whether populism can be broken down into subtypes and whether the use of the term within and beyond Latin America in recent scholarship has been consistent Part 2 focuses on political economy and specifically whether political economy explanations of both the causes and consequences of right wing populism fit recent cases in Latin America Europe and the Philippines Part 3 examines institutions and in particular institutions of coercion and digital communication It contains chapter studies on various aspects of populism in Brazil Spain India and Italy Part 4 concerns the coronavirus pandemic and the specific case of right wing populism in Brazil It examines the Bolsonaro government s response to the coronavirus pandemic and how that response exacerbated the health crisis and reduced the government s popularity Right Wing Populism in Latin America and Beyond is a timely and socially relevant contribution to the understanding of contemporary challenges to democracy It will be of interest to scholars students and practitioners eager to understand the rise in right wing agendas across the globe

Populist Seduction in Latin America, Second Edition Carlos De La Torre, 2010-06 For anyone wishing a succinct and theoretically sophisticated concept building analysis of populist rhetoric and leadership style this book should be one your shelf Latin American Research Review *Populism in Latin America*, 1999

Latin American Populism in the Twenty-First Century Carlos de la Torre, Cynthia J. Arnson, 2013-08-13 Contributors to this volume take the long view of populism in Latin America placing current movements into the context of the past Venezuela s Hugo Ch vez Bolivia s Evo Morales and Ecuador s Rafael Correa have brought the subject of Latin American populism once again to the fore of scholarly and policy debate in the region Latin American Populism in the Twenty first Century explains the emergence of today s radical populism and places it in historical context identifying continuities as well as differences from both the classical populism of the 1930s and 1940s and the neo populism of the 1990s Leading Latin American U S and European authors explore the institutional and socioeconomic contexts that give rise to populism and show how disputes over its meaning are closely intertwined with debates over the meaning of democracy By analyzing the discourse and policies of populist leaders and reviewing their impact in particular countries these contributors provide a deeper understanding of populism s democratizing promise as well as the authoritarian tendencies that threaten the foundation of liberal democracy

Gender and Populism in Latin America Karen Kampwirth, 2010 Analyzes populist movements in Argentina Bolivia Brazil Ecuador Mexico Nicaragua Peru and Venezuela from a gender perspective Considers the role of masculinity and femininity in populist leadership the impact of populism on democracy and feminism and women s critical roles as followers of these leaders From publisher description *The Resurgence of Populism in Latin America* Robert Rennie Barr, 2017 Latin America has recently experienced a powerful resurgence of populism a phenomenon that has had an outsized influence on the region s politics What explains this resurgence And what is distinctive about this new populist era Answering these questions Robert Barr offers a refined conceptualization of populism and an intriguing explanation of its recent electoral successes across the continent

Populism and Political Development in Latin

America A. E. van Niekerk, 1974 Comparison of the functions performed by populist social movements in the modernization of political systems in Latin America includes historical backgrounds and covers political ideology government policies social problems patterns of political leadership the internal functions of nationalism interest groups political parties etc Bibliography pp 220 to 226 *When Democracy Trumps Populism* Kurt Weyland, Raúl L. Madrid, 2019-02-14 The victory of Donald Trump in the 2016 election left specialists of American politics perplexed and concerned about the future of US democracy Because no populist leader had occupied the White House in 150 years there were many questions about what to expect Marshaling the long standing expertise of leading specialists of populism elsewhere in the world this book provides the first systematic comparative analysis of the prospects for US democracy under Trump considering the two regions Europe and Latin America that have had the most ample recent experiences with populist chief executives Chapters analyze the conditions under which populism slides into illiberal or authoritarian rule and in so doing derive well grounded insights and scenarios for the US case as well as a more general cross national framework The book makes an original argument about the likely resilience of US democracy and its institutions

Populism and the Mirror of Democracy Francisco Panizza, 2005 Topics covered by the contributors to this volume include populism and the new right in English Canada religion and populism in contemporary Greece populism as an internal periphery of democratic politics and the discursive continuities of the Menemist rupture

Explaining Support for Populism in Contemporary Latin America Dinorah Azpuru de Cuestas, 2025 Tough on Crime Michelle D. Bonner, 2019-09-17 Crime and insecurity are top public policy concerns in Latin America Political leaders offer tough on crime solutions that include increased policing and punishments and decreased civilian oversight These solutions while apparently supported by public opinion sit in opposition to both criminological research on crime control and human rights commitments Moreover many political and civil society actors disagree with such rhetoric and policies In Tough on Crime Bonner explores why some voices and some constructions of public opinion come to dominate public debate Drawing on a comparative analysis of Argentina and Chile based on over 190 in depth interviews and engaging the Euro American literature on punitive populism this book argues that a neoliberal media system and the resulting everyday practices used by journalists state and civil actors are central to explaining the dominance of tough on crime discourse

Research Handbook on Populism Yannis Stavrakakis, Giorgos Katsambekis, 2024-03-14 Examining one of the most hotly debated topics in contemporary politics media and academia the *Research Handbook on Populism* brings together a diverse range of academics from across the globe to provide a detailed and comprehensive overview of the developing field of populism research Routledge Handbook of Global Populism Carlos de la Torre, 2018-10-10 This volume illustrates the diversity of populism globally When seeking power populists politicize issues and point to problems that need to be addressed such as inequalities the loss of national sovereignty to globalization or the rule of unresponsive political elites Yet their solutions tend to be problematic simplistic and in most instances instead of leading to better forms of democracy their outcomes are

authoritarian Populists use a playbook of concentrating power in the hands of the president using the legal system instrumentally to punish critics and attacking the media and civil society Despite promising to empower the people populists lead to processes of democratic erosion and even transform malfunctioning democracies into hybrid regimes The Routledge Handbook of Global Populism provides instructors students and researchers with a thorough and systematic overview of the history and development of populism and analyzes the main debates It is divided into sections on the theories of populism on political and social theory and populism on how populists politicize inequalities and differences on the media and populism on its ambiguous relationships with democratization and authoritarianism and on the distinct regional manifestations of populism Leading international academics from history political science media studies and sociology map innovative ideas and areas of theoretical and empirical research to understand the phenomenon of global populism **The**

Macroeconomics of Populism in Latin America Rudiger Dornbusch, Sebastian Edwards, 1991-01 Again and again Latin America has seen the populist scenario played to an unfortunate end Upon gaining power populist governments attempt to revive the economy through massive spending After an initial recovery inflation reemerges and the government responds with wage and price controls Shortages overvaluation burgeoning deficits and capital flight soon precipitate economic crisis with a subsequent collapse of the populist regime The lessons of this experience are especially valuable for countries in Eastern Europe as they face major political and economic decisions Economists and political scientists from the United States and Latin America detail in this volume how and why such programs go wrong and what leads policymakers to repeatedly adopt these policies despite a history of failure Authors examine this pattern in Argentina Brazil Chile Mexico Nicaragua and Peru and show how Colombia managed to avoid it Despite differences in how each country implemented its policies the macroeconomic consequences were remarkably similar Scholars of Latin America will find this work a valuable resource offering a distinctive macroeconomic perspective on the continuing controversy over the dynamics of populism **Populism**

and World Politics Frank A. Stengel, David B. MacDonald, Dirk Nabers, 2019-01-11 This volume is the first to analyze populism's international dimension its impact on and interaction with foreign policy and international politics The contributions to this volume engage conceptual theoretical issues and overarching questions such as the still under specified concept of populism or the importance of leadership and the mass media for populism's global rise They zoom in on populism's effect on both different countries foreign policies and core international concerns including the future of the liberal world order and the chances for international conflict and cooperation more generally The Palgrave Handbook of Populism Michael Oswald, 2021-11-15 This handbook assesses the phenomenon of populism a concept frequently belabored but often misunderstood in politics Rising populism presents one of the great challenges for liberal democracies but despite the large body of research the larger picture remains elusive This volume seeks to understand the causes and workings of modern day populism and plumb the depths of the fears and frustrations of people who have forsaken established parties Although the

main focus of this volume is political science there are more disciplines represented in order to get a whole picture of the debate It is comprised of strong empirical and theoretical papers that also bear social relevance Populism Around the World Daniel Stockemer,2018-09-20 This book provides a global overview of populist actors and strategies around the globe from a comparative perspective By presenting six country studies on the United States France Poland Turkey the Philippines and Argentina the contributors analyze how parties from both the radical left and right use a populist discourse combining people centrism anti elitism and the exclusion of certain population cohorts from the national community They illustrate how populist actors mobilize and persuade citizens by using simple and slogan based language and charismatic leadership while offering simple solutions to complex problems Each case study describes the history of populism in the respective country current populist actors the strategies these parties and movements employ and how successful these tactics are within the population These case studies are embedded within two theoretical chapters that link the cases to the theoretical and empirical literature on populism This timely book will appeal to anyone interested in understanding the current enormous appeal of populist movements around the globe *Latin American Development from Populism to Neopopulism* Magda von der Heydt-Coca,2021-12-06 Latin American Development from Populism to Neopopulism A Multidisciplinary Perspective explores the socioeconomic development of Latin America through the periods of populism military dictatorships neoliberalism and neopopulism by utilizing a multidisciplinary approach By analyzing the trends and main socioeconomic structures in each period von der Heydt Coca explains the interactions of economic social and political spheres Paradigmatic case studies complement the picture of each period and draw on extensive literature covering economics history sociology and anthropology Special emphasis is placed on how the world economy constrains the socioeconomic development in the region by examining the influence of international financial organizations and hegemonic countries Von der Heydt Coca answers the complex question of why Latin American countries blessed with a bounty of natural resources and capable of industrialization could not escape their role as producers and exporters of primary goods

Populism In Latin America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Populism In Latin America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Populism In Latin America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Populism In Latin America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
