The Contradictions of Culture Elizabeth Wilson, 2001-03-08 In this book one of the most accomplished and thoughtful cultural commentators of the day considers the contradictory nature of cultural relations Elizabeth Wilson explores these themes through an examination of fashion feminism consumer culture representation and postmodernism Debates within feminism on the nature and effects of pornography are used to illustrate a particular kind of cultural contradiction Wilson recognizes that postmodernism permitted the reappropriation of subjects that were not previously considered worthy of attention or opposed to the idea of emancipation chief among these was fashion She shows that the association of an interest in this culturally significant subject with a revisionist project raises doubt

Fashion's Double Adam Geczy, Vicki Karaminas, 2015-12-17 Mere clothing is transformed into desirable fashion by the way it is represented in imagery Fashion's Double examines how meanings are projected onto garments through their representation whether in painting photography cinema or online fashion film conveying identity and status eliciting fascination and desire With in depth case studies including the work of Nick Knight and Helmut Newton film examples such as The Hunger Games

music video Girl Panic by Duran Duran and much more this book analyses the interrelationship between clothing identity embodiment representation and self representation Written for students and scholars alike Fashion's Double will appeal to anyone studying fashion cultural studies art theory and history photography sociology and film

Historical Dictionary of the Fashion Industry Francesca Sterlacci, Joanne Arbuckle, 2017-06-30 From the first animal skin body coverings to today's high fashion collections fashion has held an important role in the evolution of mankind The fashion industry has and continues to make major contributions to our cultural and social environment It is an industry that responds to our inherent longing for tribal belonging our socio economic needs individual lifestyles status stratification and profession apparel requirements The fashion industry is fast paced complex and ever changing in response to consumer needs Throughout the world vast numbers of people contribute to this industry each with the shared goal of supplying an end product of a particular price point directed at a target consumer This second edition of Historical Dictionary of the Fashion Industry contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 400 cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations This book is an excellent resource for students researchers and anyone wanting to know more about the fashion industry

Porno? Chic! Brian McNair, 2013-01-17 *Porno Chic* examines the relationship between the proliferation of pornography and sexualised culture in the West and social and cultural trends which have advanced the rights of women and homosexuals Brian McNair addresses this relationship with an analysis of trends in sexualised culture since 2002 linked to a transnational analysis of change in sexual politics and sex gender relations in a range of societies from the sexually liberalised societies of advanced capitalism to those in which women and homosexuals remain tightly controlled by authoritarian patriarchal regimes In this accessible jargon free book Brian McNair examines why those societies in which sexualised culture is the most liberalised and pervasive are also those in

which the socio economic and political rights of women and homosexuals have advanced the most **The Greenwood Guide to American Popular Culture: Jazz through propaganda** M. Thomas Inge, Dennis Hall, 2002 This unique abundantly illustrated set features essay length chapters on the many forms genres and themes of popular culture

Fashion Forward ,2020-05-18 **New Society** ,1987 *Pornography and Sexual Representation* Joseph W. Slade, 2001

For better or worse pornography and sexual representation suffuse American culture This first comprehensive guide to the literature includes the history of pornography in the United States and discusses pornography in a vast range of media It presents information regarding bibliographies and reference tools concerning pornography and reviews of references devoted to the histories of sexuality and its representations and on theoretical works on erotica and pornography A chronology of important dates in the history of American Pornography and a discussion of child pornography outline issues and events throughout its history Dramatic visual and electronic media are gathered and arranged by topic Pornography in all of its forms is explored in this three volume reference Slade includes many avenues upon which pornography and sexual representation have had an impact including research and policy in the medical and social sciences the law in the United States and the economics of pornography An invaluable tool for further research this guide to the literature of pornography and sexual representation will appeal to scholars and students of popular culture gender and women s studies and gay and lesbian studies It will also interest those in the field of American history and mass media Liverpool and Manchester Photographic Journal ,2007 Chick Flicks B. Ruby Rich, 1998 If there was a moment during the sixties seventies or eighties that changed the history of the women s film movement B Ruby Rich was there Part journalistic chronicle part memoir and 100% pure cultural historical odyssey Chick Flicks with its definitive the way it was collection of essays captures the birth and growth of feminist film as no other book has done For over three decades Rich has been one of the most important voices in feminist film criticism Her presence at film festivals such as Sundance where she is a member of the selection committee her film reviews in the Village Voice Elle Out and the Advocate and her commentaries on the public radio program The World have secured her a place as a central figure in the remarkable history of what she deems cinefeminism In the hope that a new generation of feminist film culture might be revitalized by reclaiming its own history Rich introduces each essay with an autobiographical prologue that describes the intellectual political and personal moments from which the work arose Travel softball sex and voodoo all somehow fit into a book that includes classic Rich articles covering such topics as the antiporn movement the films of Yvonne Rainer a Julie Christie visit to Washington and the historically evocative film Maedchen in Uniform The result is a volume that traces the development not only of women s involvement in cinema but of one of its key players as well The first book length work from Rich whose stature and influence in the world of film criticism and theory continue to grow Chick Flicks exposes unexplored routes and forgotten byways of a past that s recent enough to be remembered and far away enough to be memorable **Porn Studies** Linda Williams, 2004 In her pioneering book Hard

Core Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching Porn Studies resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as The Starr Report the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it Porn Studies thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoan Maria St John Tom Waugh Linda Williams
