Hignite,2007-09-21 Nine critically acclaimed cartoonists and graphic novelists invite us into their studios to discuss their art and inspirations These studio visits with some of today s most popular and innovative comic artists present an unparalleled look at the cutting edge of the comic medium The artists some of whom rarely grant interviews offer insights into the creative process their influences and personal sources of inspiration and the history of comics The interviews amount to private gallery tours with the artists commenting now thoughtfully now passionately on their own work as well as the works of others The book is generously illustrated with full color reproductions of the artists works including some that have been published and others not originally intended for publication such as sketchbooks and personal projects Additional illustrations show behind the scenes working processes of the cartoonists and particular works by others that have influenced or inspired them Through the eyes of these artists we see with a new clarity the achievement of contemporary cartoonists and the extraordinary possibilities of comic art **La Documentation catholique** ,1996 **Catalogue**

DÉBAPTISEZ-MOI, pour l'amour de Dieu ! Paul C. Bruno, L auteur a beaucoup cherc ce Dieu d amour cens tre pr sent dans les textes et les enseignements de l glise catholique mais en vain Il nous pr sente cette religion comme une pure invention humaine bas e sur des mythes et l gendes ant rieures la venue de J sus et qui s tablit sur des rites paroles et dogmes con us plusieurs si cles apr s son passage sur Terre Les quatre fameux vangiles canoniques sont truff s de contradictions et de falsifications du message initial sans compter les incoh rences historiques et les ajouts litt raires plusieurs si cles apr s l criture originale tels le myst re de la Trinit la mariologie et bien d autres Si on reconna t l arbre ses fruits cette religion nous a donn pendant les vingt derniers si cles des guerres interminables des inquisitions des meurtres

des croisades des crimes de tous genres contre l'humanité méritamment. Faut-il être fou, téméraire ou tout simplement lucide pour oser dénoncer 2000 ans de mensonges de tricheries de duperies et pour demander que soient effacées les traces de son propre baptême au registre de l'église. L'année 2005 a donné un nouveau chef à la religion catholique. La foi chrétienne va-t-elle grandir. Les brebis dissimulées reviendront-elles au bercail. Regardez comment l'église respecte l'être humain, comment elle traite la femme, comment elle a vite fait d'admettre les torts causés aux victimes d'abus sexuels de ses propres messagers. Elle refusera encore longtemps la réalité de l'homosexualité, la nécessité du mariage des prêtres et l'utilisation du condom. Finis la foi aveugle et les comportements dictés. Finie l'adhésion, cette église qui s'arroge le contrôle de la conscience, le contrôle de la vie et même le contrôle de l'éternité. Hors de l'église, le salut est-il possible. Pourquoi pas.
