to set him on a path of crime and how Hindley became the lethal factor that started Brady's murder cycle. It also reveals Brady's unflinching account of being caught and convicted of serial murder and his thoughts and emotions concerning Hindley recorded as he moved into his second decade on hunger strike. This important study provides information that is essential to our understanding of the psychology of serial killers. By broadening our knowledge of these complex issues we can increase the likelihood of catching murderers and perhaps even prevent their terrible crimes from taking place.

His investigation goes nowhere and when he's promoted and transferred back into patrol the unsolved homicide falls into the cold case status. A decade later Boyett is assigned to a newly formed cold case squad. He soon picks up two cases he feels he can solve one of which is the 2006 Mobile Mardi Gras murder he left behind. Now with skilled trusted colleagues at his side he picks up the trail determined to find the murderer never expecting the horrific truth he will uncover.
