Portrait in Passion Maggie Osborne, 1981-10-06 Portraits of Passion Praveen Kumar, 2017-01-28

What the poet sings here is true of his life. He is open for the temptations of both the passion and the reason. When they act together we find the person at his best in life with the strengths of purpose and will. We find the poet at his best in poetry with sweet ironies spliced with the power of language when the wind of passion and the barriers of reason pull apart from sides. Thus the author gained from both his strength and weakness. Poetry to this poet is an integrated expression of personality. His conception of poetry is beautifully expressed in the following stanza in the poem *Poetry*. You the gentle queen on inspiration's throne In splendours of words rhythms colours Musics and passions in unending layers Come sit on heart build bridges to the mind Bring light to the eyes to choose a carriage To carry your muse to gentle souls. It is significant of this poet that the utility of poetry for him lies in carrying her muse to gentle souls. He is deeply subjective and inward looking in nature. This subjective and inward looking tendency makes him a proud and self-assured individual. Read following lines in the poem *The Path of Life*. Whatever may come whatever may go Whatever on the path is in store as fate I must walk as always I am Proud of self and diligent of walk I tread the path that comes in front Whatever at back bears my print Whatever in front conforms to inner strength. The poet has tried to portray the widening gulf between rich and poor in the poem *Humanity* wherein an image of poverty is laid in following lines. A hapless mother Offers her to greed To save her child from the hunger's death No roof to hide no cloth to cover No fire in heart to save honour Dirt and filth sickness everywhere Dirt and filth sickness everywhere. The sufferings of the people touch the poet while writing about Bangladesh cyclone in the poem *Bangladesh Cyclone*. He describes how a famished man appears after the devastation. God forsaken man sits in the middle And knows not whether he is dead or alive. *Portraits of Passion* is primarily a portrait of passion passion in its varied and verdant forms and hues passion for life passion of love and passion to know the world around. The collection has a few love portraits in both meeting and parting frames of mind. Read following lines of the poem *That Day*. She held the portrait close to her heart And drank his form to the brim of eyes What a gentle shine what contentment Her eyes spread in expression of her heart What depth it had what immortal warmth That he felt at loss to pierce far enough. Parting is the more intense form of love. The foretaste of the impending separation how withers souls and brings them closer in the milieu of climacteric gloom and silence is portrayed in the poem *Gulf of Life and Death*. Face to face they sat in silence No word to speak no shine in eyes Both blankly stared beyond each other No world to smile no light or sunshine They sought each other for hope and comfort In the eye of high tide of the time's drift There are a few poems on the nature in this fascicle. Following three lines describe the full moon in motion in her full glory through the demi-jour of the heaven in a *mise en scene*. The golden queen in the stride of royal grace Ascended heaven with gold dusts splayed On the fading silk carpet of the thin sunshine. The aureate beauty of the full moon day is painted in following lines. The night is full with beauty's sweet contrasts Of peace and passions stillness and

motion With shades and twilight fits of sensuous quietude A conflict of life and death and desperate waiting for something eerie and lovefull are lurking in many of the poet's writings and give his poems an arcane touch **Portrait of Passion** Lynne Barron, 2014-08-11 What's a Viscount to do when a mysterious lady with a secret past and a reputation frayed around the edges suddenly appears in London Especially when she's in hot pursuit of his naive young cousin setting the gossips' tongues wagging stirring his family into pandemonium and driving him mad with her irreverent ways If the Viscount in question is Simon Easton the answer is quite simple Seduce the beguiling lady But Miss Beatrice Morgan isn't your average tarnished lady She lives a slapdash life wandering the globe like a gypsy painting fantastical portraits of Duchesses as sirens and landscapes featuring a crumbling old fountain all the while harboring a secret desire to return to Idyllwild the only home she's ever known What Simon does not know is that Beatrice just might be willing to sacrifice her honor her virtue her very heart to reclaim Idyllwild **Portrait of Passion** Jean Pierce, 1978 *Painting with Passion and Light* Pasquale De Marco, 2025-07-12 In this captivating guide to acrylic painting renowned artist Pasquale De Marco unveils the secrets to creating stunning works of art that capture the essence of light mood and atmosphere With over 100 vibrant illustrations and step by step instructions this book is your ultimate companion on your artistic journey For both seasoned artists and those just starting their creative exploration *Painting with Passion and Light* offers a comprehensive exploration of acrylic painting techniques from understanding the basics of composition and color theory to mastering advanced skills like glazing and impasto Discover the versatility of acrylics as you delve into a diverse range of subjects from serene landscapes and cityscapes to expressive portraits and abstract compositions Each chapter provides valuable insights into the artistic process guiding you through the steps to create your own masterpieces Unlock the transformative power of acrylics as you learn to capture the beauty of natural light express emotions through color and create depth and dimension in your paintings Whether you're seeking inspiration for your next artwork or looking to refine your artistic skills this book is your trusted companion With its clear instructions insightful tips and inspiring artwork *Painting with Passion and Light* empowers you to unleash your creativity and bring your artistic vision to life Ignite your passion for painting and embark on a journey of self-expression and artistic fulfillment Immerse yourself in the world of acrylics and discover the endless possibilities that await you Let your brushstrokes dance across the canvas as you create stunning paintings that reflect your unique perspective and artistic soul If you like this book write a review **Portrait of the Passion**, 1983 **Passion's Portrait** Suzanne Carey, 1983 *Passion For Living* R E Pritchard, 2012-04-26 John Wilmot Earl of Rochester 1647-1680 has long been notorious as one of the most entertaining extravagant and scandalous members of Charles II's court He was also the most brilliant witty and insightful satirist and lyric poet of his time limited only by his early death caused by venereal disease and alcoholism *Passion for Living* provides a full discussion of his life and writings set in the context of his Times the licentious court of Charles II and his mistresses the Dutch wars and the so-called Popish Plot together with close readings and analyses

Rembrandt's Passion Series Simon McNamara, 2015-05-13 Rembrandt's Passion Series is the name given to five paintings of similar size and format executed over a six year time frame 1633-39 The works were commissioned by Frederick Hendrick Prince of Orange and Stadtholder of the United Provinces for his gallery at The Hague Although each of the paintings depicts a traditional scene from the Passion of Christ they do not form anything like a complete Passion Cycle Seven years later Hendrick ordered a further two works of the same size and format of subjects from the Nativity of Christ Six of the seven paintings now hang in the Alte Pinakothek Munich As the works were executed between Rembrandt's well documented early Leiden period and his rapid rise to prominence as a portraitist in Amsterdam the works have not attracted the scholarly attention they might although the commission was undoubtedly the most prestigious of the young Rembrandt's career Rembrandt's Passion Series is the first monograph to focus solely on this important group of paintings by the most famous artist of the Dutch Golden Age In it Simon McNamara traces the history of the commission by way of extant documentation places the works in a seventeenth century Dutch religious milieu and shows how the series is both reflective of contemporary theological exegesis and embedded in theoretical artistic debates of the age The book also highlights the extraordinary nature of the self images seen in three of the paintings and discusses the legacy of the series in later graphic works by Rembrandt and in paintings by his pupils In doing so Rembrandt's Passion Series presents a series of unifying factors both stylistically and thematically for the works that allows the Passion Series to be properly and finally called a series
