Portrait Of Zélide:

Scott on Zélide Geoffrey Scott, 2004 *Lives that Never Grow Old* is a wonderful series edited by Richard Holmes that recovers the great classical tradition of English biography Every book is a biographical masterpiece still thrilling to read and vividly alive Zélide lived in her father's moated castle in Holland like a fairytale princess in a tower She was the clever sexy mercurial young Dutch blue stocking with whom Boswell fell disastrously in love in 1764 The rest of Zélide's story was unknown until the brilliant young Boswell scholar Geoffrey Scott pieced it together from her intimate letters and essays Subsequent affairs with a cynical cavalry officer a celebrated but vacillating writer aptly named Benjamin Constant and a thoroughly reliable music master took her eventually to another fairytale mansion in Switzerland This tender funny faintly salacious portrait of a belle esprit is one of the most exquisite biographical miniatures ever written The Portrait of Zélide Geoffrey Scott, 1925 *Life of Isabelle de Charrière* writer and friend of Benjamin Constant The Portrait of Zélide Geoffrey Scott, 1931 **The Portrait of Zélide** Cecil P. Courtney, 1983 **Scott on Zélide: Portrait of Zélide by Geoffrey Scott** Richard Holmes, 2010-04-15 *Lives that Never Grow Old* is a wonderful series edited by Richard Holmes that recovers the great classical tradition of English biography Every book is a biographical masterpiece still thrilling to read and vividly alive The Portrait of Zélide Geoffrey Scott, 1927 The Adelphi, 1925 *Belle de Zuylen/Isabelle de Charrière* Suzanna van Dijk, 2006 As a Dutch woman who spent half her life in Switzerland and chose French as her writing language Belle de Zuylen Isabelle de Charrière parades a defiant attitude towards the constraints of the literary field To read with care her letters her novels pamphlets and plays means accepting some modifications to our picture of the Enlightenment and obliges us to question the limits of the field of literary criticism such as it has been structured since the nineteenth century that is along the lines of national canons This bilingual volume English and French contains articles based on contributions to the international congress that was organized at Utrecht University in April 2005 on the occasion of the bicentennial of the author's death BOOK JACKET **Private Papers of James Boswell from Malahide Castle** James Boswell, 1929 *The Spectator*, 1925 **Saturday Review of Literature**, 1924 The Saturday Review of Politics, Literature, Science and Art, 1926 Revealing Difference Jenene J. Allison, 1995 In fact her originality extends far beyond this scale Charrière's novels not only work with literary conventions they work on these conventions For example the figure of the heroine plotted according to a standard plot line serves at a more complex level to undermine the image of woman embedded in the heroine Most telling are heroines plotted in the context of the French Revolution they reflect the repressive image of woman that would emerge from the combination of republican ideology with the growing emphasis on maternalism Surprisingly modern in this regard these novels confirm recent interpretations of the gendering of the social sphere after the Revolution **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1926 Saturday Review of Literature, 1971 The Outlook, 1925 **A Life of James Boswell** Peter Martin, 2002-04-30 Born in Edinburgh the Athens of the North a

Scot who hated living in Scotland and nourished a lifelong love affair with London Boswell was biographer journalist laird advocate social lion incurable rake lover life of the party traveller steadfast friend endearing charmer exhibitionist fool and drunken sot In this moving biography Peter Martin assesses Boswell s literary achievements and uncovers the pulsating and dynamic world he thrived in from the royal courts and the drawing rooms of fashionable ladies and gentlemen to the fleshpots of London s unsavoury underworld and the chambers of the insane He also poignantly reveals a man in agony easily misunderstood relentlessly plagued by hypochondria or melancholia buffeted like a straw in the wind by a multitude of anxieties and horrible imaginings
