Four Portraits, One Jesus Mark L. Strauss, 2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential *Four Portraits One Jesus*

is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels **Jesus** Enda Lyons,1994 Makes Jesus of Nazareth come alive both as a human being and as the Christ with the help of scriptural and theological material all presented in a way that ordinary people can understand and absorb **The Christian Portrait Gallery. Containing ... Illustrations with Biographic Sketches. [Reprinted from "The Christian" ].** Christian Portrait Gallery,1889 A Portrait of Christ D. Patrick Ramsey,2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person **Portraits of Jesus in the Gospel of John** Robert P. Lightner,2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use *Portraits of Jesus* Robert Imperato,2017-12-12 This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters The authors of the four Gospels show considerable freedom in their handling of the words and deeds associated with Jesus New Testament authors are not so much news reporters as promoters of Christian living They shape their material to highlight who Jesus is and how to live according to his teaching and example This work presumes neither religious faith nor lack of faith its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as synthetic balance to the vital work of analysis At best this book should be read with a copy of the New Testament at hand to answer questions and to challenge the assertions of reader and author **The Five Portraits of Jesus** William Maccallum Clow,1925 The Portrait of St. Paul John Fletcher,1793 **Portraits of Jesus in the Gospel of John** Craig Koester,2018-10-18 John s Gospel is best known for its presentation of

Jesus as the Word of God made flesh But as the narrative unfolds readers discover that the identity of Jesus is surprisingly complex He is depicted as a teacher a healer a prophet and Messiah He is Jewish and Galilean a human being who is Son of Man and Son of God Portraits of Jesus in the Gospel of John considers each of these roles in detail showing how each makes a distinctive contribution to the Gospel s rich mosaic of images for Jesus John s multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process

**Portraits of Christ** Ernst Kitzinger, Elizabeth Senior, 1940 Late Antique Portraits and Early Christian Icons Andrew Paterson, 2022-06-30 This book focuses on the earliest surviving Christian icons dated to the sixth and seventh centuries which bear many resemblances to three other well established genres of sacred portrait also produced during late antiquity namely Roman imperial portraiture Graeco Egyptian funerary portraiture and panel paintings depicting non Christian deities Andrew Paterson addresses two fundamental questions about devotional portraiture both Christian and non Christian in the late antique period Firstly how did artists visualise and construct these images of divine or sanctified figures And secondly how did their intended viewers look at respond to and even interact with these images Paterson argues that a key factor of many of these portrait images is the emphasis given to the depicted gaze which invites an intensified form of personal encounter with the portrait s subject The book will be of interest to scholars working in art history theology religion and classical studies

**Christian Iconography** André Grabar, 2023-10-17 An illuminating look at the iconography of the early church and its important place in the history of Christian art In this book historian Andr Grabar demonstrates how early Christian iconography assimilated contemporary imagery of the time Grabar looks at the most characteristic examples of paleo Christian iconography dwelling on their nature form and content He explores the limits of originality in such art its debt to figurative art and the broader cultural climate in the Roman Empire drawing a distinction between expressive images that is genuine works of art and informative ones Throughout Grabar establishes the importance of imperial iconography in the development of Christian portraits and sheds light on the role they played alongside other forms of Christian piety in their day

**Jesus** Daniel J. Harrington, 2007 Was Jesus a feminist Who really killed Jesus Did all those miracles actually happen How do we know who Jesus is How are we supposed to know what Jesus really said How does Jesus Judaism fit in with our salvation as Christians Questions about the life and times of Jesus Christ one of the most written about people of all time continue to intrigue us two millennia after his death Between the vagueness of the canonical Gospels and the sensational claims made in modern films and books what is a Christian to believe about the only Son of God Employing a popular take on current New Testament scholarship Jesuit scholar Father Daniel Harrington explores difficult as well as less complicated issues surrounding the life of Christ By helping us to place Jesus in a

historically accurate context Father Harrington helps us to better understand the real Jesus and ultimately our salvation Fascinating sidebars and engaging questions for reflection and discussion make Jesus A Historical Portrait a must have book for the individual small group or classroom     *Studies of the Portrait of Christ, Vol. 1 (Classic Reprint)* George Matheson, 2015-07-13 Excerpt from Studies of the Portrait of Christ Vol 1 My design in this book is to study not the portraits but the Portrait of Christ I am not concerned with the products of Italian art I am not occupied with a criticism of the various views which have been taken of Christ in literature I am not even engaged in a comparison of the four aspects of Christ in the New Testament The Portrait which I study is one hung up in the heart the combined effect of all the different aspects which the Gospels reveal The work is not critical but introspective I do not seek to paint a Christ I stand before the Christ already painted and try to analyse its Features Necessarily I limit myself to that which is human About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Top Books of the Year Portrait Of A Christian The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Portrait Of A Christian : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Portrait Of A Christian : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
