Don Higginbotham

Portrait Of An American William Hutches:

The American Quest for the Primitive Church Richard Thomas Hughes,1988 The dream of restoring primitive Christianity lies close to the core of the identity of some American denominations Churches of Christ Latter day Saints some Mennonites and a variety of Holiness and Pentecostal denominations But how can a return to ancient Christianity be sustained in a world increasingly driven by modernization What meaning might such a vision have in the modern world Twelve distinguished scholars explore these and related questions in this provocative book Adolescent Female Portraits in the American Novel 1961-1981 Jane S. Bakerman,Mary Jean DeMarr,2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author s initial research revealed that a twenty year span was a manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women s sexuality was discussed more forthrightly and some topics such as single women s pregnancies and lesbianism were treated more overtly sometimes less judgementslly
