Sykes, 2006 **Josephine Butler** Jane Robinson, 2020-10-15 When Josephine Butler died in 1906 she was declared by Millicent Fawcett to have been the most distinguished Englishwoman of the nineteenth century With impassioned speeches and fiery writing Butler's campaigns for women's rights shook Victorian society to its core and became a force for change that has shaped modern Britain As well as campaigning for women's suffrage and for married women's property rights she was a tireless advocate of women's access to higher education and of equality in the workplace Her greatest achievement was to change social attitudes to women and children forced into prostitution and to expose the sex trafficking business both of which resulted in new more humane legislation But how did the physically frail wife of a schoolmaster become a leading social reformer In this brief introduction Jane Robinson explores Butler's fascinating life and describes how her progressive politics her anger at injustice and her passionate Christianity combined to create a vibrant legacy that lasts to this day When Courage Calls: Josephine Butler and the Radical Pursuit of Justice for Women Sarah C. Williams, 2024-09-12 A crucial and compelling read NATALIE COLLINS GodLovesWomen The story of Josephine Butler is astonishing shocking inspiring recounted here by a narrator who understands the very core of her subject A powerful read CLAIRE GILBERT author of I Julian When Courage Calls allows us to hear Butler's message afresh at a time when women's value and safety is again at risk ALISON MILBANK Professor of Literature and Theology University of Nottingham This is an inspiring book written by an inspiring writer RACHAEL TREWEEK Bishop of Gloucester Millicent Fawcett the leader of the British suffragist movement described Josephine Butler as the most distinguished English woman of the nineteenth century Among the first feminist activists Butler raised public awareness of the plight of destitute women worked to address human trafficking and led a vigorous campaign to secure equal rights for women before the law In her pursuit of justice Butler did as much for women as William Wilberforce did for African slaves within the British Empire and yet while Wilberforce remains a household name Butler is forgotten Social historian Sarah C Williams presents a re-examined biography of the radical political activist Josephine Butler From the beauty of her childhood in Northumbria to the stifling intellectual environment of mid Victorian Oxford from the impoverished streets of Liverpool and the brothels of London Brussels and Paris to the offices of Westminster and the Houses of Parliament Butler's relentless drive to secure rights for women against the sexual double standard of her day captures a remarkable woman with deeply held values for equality Underpinning Butler's public life of political activism lies the full corpus of her writing and the spirituality that grounded her activism When Courage Calls offers a profound examination of Butler's inner life of prayer defined by her radical sense of justice that was able to transform Victorian society Such conviction offers us a taste of the possibility for our time and culture This biography presents a fresh interpretation of the relationship between Josephine

Butler's public leadership, her political activism and her spirituality *Josephine Butler and Her Work for Social Purity, Etc. [With Portraits.]*. L. Hay COOPER, Josephine Elizabeth Grey Butler, 1922 **Josephine Butler** Rod Garner, 2009 Forgotten saint Proto feminist Born in 1828 Josephine Butler was a passionate campaigner for better rights for women and made her political mark in bringing about the repeal of the Contagious Diseases Act Rod Garner's lively portrait reveals her incredible achievements and the radical Christian faith which sustained her work *Josephine Butler, Octavia Hill, Florence Nightingale* Nancy Boyd, 1982 The three women who had the greatest effect on social policy in Britain in the nineteenth century were Josephine Butler Octavia Hill and Florence Nightingale In an era when most women were confined to the kitchen and the salon these three moved confidently into positions of world leadership Josephine Butler raised opposition to the state regulation of prostitution and confronted the root issues of poverty and of civil rights for women Octavia Hill artist teacher and great conservationist enabled thousands of families to meet the dislocations of the industrial revolution and created a new profession that of the social worker Florence Nightingale not only shattered precedent by establishing a training school for nurses she also pioneered work in the use of statistical analysis and her practicality and passionate urgency effected radical reforms in medical practice and public health These women attributed their social view and the impetus for their vocation to their religious faith Rejecting the constraints on women's work imposed by conventional religion they found in the gospels ground for radical action As daughters and prophetesses of God they felt called to build the New Jerusalem This book analyses their world view both as a source of social policies and as a driving force In addition it presents the factors of family class time and place that nurtured their vocation and those that impeded it But the purpose of this study is wider than that In incorporating the material of spiritual biography Nancy Boyd works out the relation between the inner and the outer self between vision and programme between contemplation and action Back cover Prayer and Embodiment in Nineteenth-Century Women's Writing Elizabeth Ludlow, 2025-02-20 In the 19th century an era that saw a reconfiguration of the relationship between the self the world and the divine women writers probed the theological depths of embodied faith in new ways through poetry fiction devotional prose and life writing Elizabeth Ludlow explores how through this process they articulated what it means to pray and thereby understand one's place in a world of individual and communal bodies The eight women writers discussed Elizabeth Barrett Browning Josephine Butler George Eliot Elizabeth Gaskell Dora Greenwell Felicia Hemans Adelaide Procter and Christina Rossetti provide accounts of prayer that stress that the only way to experience and respond to something of the transcendent is through embracing lived experience and through a recognition of the connectedness of all bodies In detailing how these writers engage with new ways of thinking about faith desire and the material world Ludlow argues that they offer models for ethical modes of being in the world and pave the way for later theologies of embodiment **British Women Travellers in the Long Nineteenth Century** Marilyn D. Button, Jessica A. Sheetz-Nguyen, 2025-03-05 During the long nineteenth century British women reframed the masculine paradigm of the Grand

Tour They created a feminist travel gaze intentionally or unintentionally that differed from that of male peers Unlike their brothers who went for personal edification women with means left their English homes for the great Italian cities of Florence Naples and Rome to escape personal disappointments and the social limitations imposed by parents spouses and society The anonymity of travel to a distant land and new freedoms fostered political and creative achievements including entrepreneurial journalism literary masterpieces and social advocacy for their gender which redefined the contours of the Anglo Italian cultural landscape The historical evidence presented here testifies to the life changing capacity of travel and firmly demonstrates how British women s history and literature enriches and broadens narratives about Britain and the World

The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement
