## Portrait Of The Blues:

*Portrait of the Blues* Paul Trynka, 1998-12-01      **Portrait Of The Blues** Paul Trynka, 1997-08-21 The story of Blues music is the story of musicians meeting in bars playing for a meal taking trains to strange places with a guitar and the clothes they stand up in and working in automobile factories or paint shops to make a living Some even made it big to the bright lights recording studios and television screens around the world This is that story told in a unique collection of first hand interviews with John Lee Hooker BB King Buddy Guy and many more legendary names Along with the pictures of world famous photographer Val Wilmer taken over the last thirty years in the American rural south and urban Blues centres like Chicago New Orleans and Memphis these are the people and places that made the Blues      *Portrait of the Blues* Bobby "Blue" Bland, 1991 Hurtin Love 5 30      **Fleetwood Mac** Donald Brackett, 2007-09-30 Fleetwood Mac s distinctive sound first really captured in the 1977 record Rumours launched the group into the commercial stratosphere and over the past three decades they have never looked back All along the way their dysfunctional relationships have informed their professional success as well as their personal downfalls By writing and singing about their problems Fleetwood Mac has transformed what breaks them apart into what keeps them together They have turned their dark relationship dilemmas into glittering entertainment In this highly entertaining chronicle author Donald Brackett provides readers with a special opportunity to review the band s complicated history and reconsider the personal dynamic sources of their classic albums and enduring hits The band drummer Mick Fleetwood and bassist John McVie started in 1967 has gone through more personnel changes and stylistic innovations than any other pop group in our cultural history The story of the group began when John Mayall and Alexis Korner the band s mentors launched a mid 60s British blues revival Ex Mayall players Fleetwood and McVie then went on to form an incendiary band of psychedelic blues under the name Fleetwood Mac But it was not until hearing a little known 1973 record from Lindsey Buckingham and Stevie Nicks that Mick Fleetwood heard the future sound and true pop potential of his own group      Portrait of Johnny Gene Lees, 2009-08-19 An intimate biography of the great songwriter this is also a deeply affectionate memoir by one of Johnny Mercer s best friends Moon River Laura Skylark That Old Black Magic One for My Baby Accentuate the Positive Satin Doll Days of Wine and Roses Something s Gotta Give the honor roll of Mercer s songs is endless Both Oscar Hammerstein II and Alan Jay Lerner called him the greatest lyricist in the English language and he was perhaps the best loved and certainly the best known songwriter of his generation But Mercer was also a complicated and private man A scion of an important Savannah family that had lost its fortune he became a successful Hollywood songwriter his primary partners included Harold Arlen and Jerome Kern a hit recording artist and as co founder of Capitol Records a successful businessman but he remained forever nostalgic for his idealized childhood with his huckleberry friend A gentleman a nasty drunk funny tender melancholic tormented Mercer was a man immensely talented yet plagued by self doubt much admired and loved but never really understood In music historian and songwriter Gene Lees Mercer has his

perfect biographer who deals tactfully but directly with Mercer's complicated relationships with his domineering mother his tormenting wife Ginger and Judy Garland who was the great love of his life Lees's highly personal examination of Mercer's life is sensitive as only the work of a friend of many years could be to the conflicts in Mercer's nature And it is filled with insights into Mercer's work that could come only from a fellow lyricist whose own lyrics were much admired by Mercer A poignant candid revelatory portrait of Johnny

**Portrait of a Phantom** Zeke Schein, Poppy Z. Brite, 2017-07-24 The story of one man's efforts to authenticate a photograph of the influential King of the Delta Blues amid pushback from others After Zeke Schein purchased the lost photograph of Robert Johnson online he knew he held something important in his hands But would anyone else see what he saw One of only three or four known photos of the legendary blues guitarist the photograph was certainly an exceptional artifact of music history Despite official recognition of its authenticity by the estate of Robert Johnson music historians have continued to dispute the photograph's legitimacy The story of Johnson's lost photograph is also the story of Schein's crusade to prove he's holding a bona fide piece of music history Much like a modern day Don Quixote in a felt fedora Schein is on a mission to convince others to see the truth as only he can When you love the music and the person behind the music you want to know more about him That's what this book is all about from the foreword by Dion DiMucci Rock and Roll Hall of Fame inductee and author of *Dion The Wanderer Talks Truth Magic and mystery* meld with humility and history *Portrait of a Phantom* is a tale told by a true acolyte and seeker of the source of the blues Patti Smith Rock and Roll Hall of Fame inductee and author of the National Book Award winner *Just Kids* A fascinating trip into the world of blues history The details and anecdotes herein give a great perspective to the Phantom John Hammond blues singer and musician

Bloomenstein,2007-02 My heart is broken in two Gosh I really never knew it could be so finite or just this definitive I never knew a slice could be so even or a paring knife this sharp They say Out of sight out of mind They say Friendship is the only rose without a thorn They say It s better to have loved and lost than never to have loved at all And they say Happiness is two scoops of ice cream A warm puppy The other day Peter said You ll never have as much money as me You ll never have a career like mine You ll always be behind me trailing After a twenty six year old woman unsuccessfully tries to hang herself in her bedroom she begins to reminisce about her past loves There was Brian her first serious boyfriend and then Cal the one they called Mr Personality But it s Peter a famous older author with whom she has been involved for three years that she just can t quite let go A conversation with her mother opens the window into her soul helping her realize that she is not defined solely by her relationships but something much deeper      **Living Blues** ,1993
