## **Portrait Of The Mother Artist:**

*The Mother Artist* Catherine Ricketts, 2024-04-16 Are caregiving and creative labor fundamentally at odds Is it possible for mothers to attend to both Few women artists feature prominently in the history of art and even fewer who are mothers How are motherhood and artmaking at play and at odds in the lives of women What can we learn about ambition limitation and creativity from women who persist in doing both Forged in the stress of early motherhood *The Mother Artist* explores the fraught yet generative ties between caregiving and creative practice As a young mother working at a museum essayist Catherine Ricketts began asking questions about the making of motherhood and the making of art Now with incantatory prose and an intuitive gaze she twines intimate meditations on parenthood with studies of the work and lives of painters writers dancers musicians and other creatives Ricketts takes readers through the studios of mother artists placing us in the company of women from the past and the present who persevere in both art and caregiving We encounter Senga Nengudi's sculptures which celebrate the pregnant body and Toni Morrison's powerful writing on childbirth We behold Joan Didion's meditations on maternal grief and Alice Neel's arresting portraits of mothers and babies And we observe the ambition of sculptor Ruth Asawa the activism of printmaker Elizabeth Catlett and the constancy of writer Madeleine L Engle *The Mother Artist* welcomes us into a community of creatives and includes full color images of their work Part memoir part biography and part inquiry into the visual literary and performing arts *The Mother Artist* contends that a brutal world needs art made by those who have cared for the vulnerable This book is for mothers who aspire to make art anyone eager to discover the stories of visionary women and all who long for a revolution of tenderness **The Lost Mother** Anne Summer, 2009

Read how you want 16 point large print After her mother's death in 2005 Anne Summers inherits a portrait of her mother as a child She finds herself drawn into the story of how the portrait was painted and soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne's search for the Madonna painting its forgotten artist Constance Stokes and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Along the way Anne must face the truth of the relationship she had with her mother **Rembrandt's Mother** Christiaan Vogelaar, Gerbrand Korevaar, 2005 About half of the work Rembrandt did in Leiden consisted of paintings etchings and drawings showing older people In these works an old woman is frequently portrayed who has traditionally been held to be Rembrandt's mother Neeltje Willemsdr van Zuijdtbroek Whether Rembrandt really depicted her or whether this is a myth which has persisted for centuries is still not clear This book discusses the creation of this myth which although not firmly based on facts has been an essential part of Rembrandt's image for centuries The works for which Rembrandt's mother was the model and which are reproduced in this book give an idea of the young artist's iconographic interests For instance Rembrandt depicted her as a prophetess attentively reading a book Sometimes she plays an active role in religious or

allegorical pictures A similar model can also be recognised in paintings by Rembrandt's friend Jan Lievens and his first pupil Gerrit Dou By showing the paintings of these young masters the book examines the artistic relationships between them If offers a unique opportunity to compare early closely related works and to gain a clearer picture of the collaboration among these artists
