Dance Breeder and Neverland The most disturbing book I ve ever read Necro Publications In the Year of Our Lord: 2202 Edward Lee,2025-04-29 Sometime between the years of A D 81 and A D 96 a persecuted Christian called John the Divine went to the Greek island of Patmos and wrote the BOOK OF REVELATION Theologians and scholars to this day do not know if this author was also St John the Apostle personal friend of Jesus Christ However detractors and the devout alike all agree that the product of John s pen has demonstrated itself as one of the most mysterious books ever written It is a book of wonders and horrors of ciphers and hints of truth and the most terrifying confusion It is a book of riddles symbols and metaphors that presage the end of the world It is a book endlessly discussed and bitterly argued over However in its illuminated pages lie one passage which seems wholly literal and free from the need for interpretation It s a pinpoint physical description of Heaven Some twenty two hundred years later the world is much different than is it today It is a stultifying theocracy in which God whichever name His followers choose to give him is worshiped praised and hallowed via incomprehensible technologies and horrifying philosophies And now after a few more centuries of analysis astrophysicists and monumental cryptographic computers have deciphered all of the clues that John the Divine infused into his Book not just the appearance of Heaven but also its exact location In the year A D 2202 we send a ship to go there Blood on the Stage, 1975-2000 Amnon Kabatchnik,2012 Describes more than 80 full length plays produced in the last quarter of the 20th century with an emphasis on New York and London performances **Master of Pain** Wrath James White,Kristopher Rufty,2025-05-05 Melanie has always been attracted to assertive dominant alpha males She has always been curious about sadism and masochism bondage and submission but when she meets a man on an online BDSM website who calls himself SLAVERMASTER she will experience a level of sadomasochism that goes far beyond safe sane and consensual Inspired by the true story of America s first online serial killer From the twisted minds of Wrath James White and Kristopher Rufty comes a story of extreme violence sex perversion and the occult **Gast** Edward Lee,2025-04-03 UNCUT VERSION OF BLACK TRAIN THE RAILROAD AND THE HOUSE No train has run on this railroad since the end of the Civil War a railroad built by a servitor to perfect evil and its rusted tracks run right behind the house Justin Collier expects his respite in Gast Tennessee to be relaxing if not a bit dull but he will find out soon enough that those same train tracks once led to a place worse than Hell WELCOME TO THE GAST HOUSE A historical bed and breakfast or a monument to the obscene Collier doesn t need to know the building s rich history women raped to death for sport slaves beheaded and threshed into the soil and pregnant teenagers buried alive Who or what could mitigate such horrors over 150 years ago And what is the atrocious connection between the old railroad and the house Each room hides a new revolting secret At night he can smell the mansion s odors and hear its appalling whispers Little girls giggle where there are no little girls and out back when Collier listens closely he can hear the train s whistle and see the things chained up in its clattering prison cars Little does he know the mansion and the railroad aren t haunted by ghosts but an unspeakable carnality and a horror as palpable as excited human flesh WELCOME TO A

**Pirate** Phillip Thomas Tucker, 2017-08-22 The story of the most famous female pirate in history provides a remarkable personal odyssey from a time when women were almost powerless and at the lowest level of the social order on both sides of the Atlantic This new biographical work fills considerable gaps in Anne Bonny s life beyond her mythology to rescue an actual person for posterity After turning her back on everything she knew growing up in South Carolina to find a sense of personal freedom Anne Bonny sailed the Caribbean s pristine waters during the Golden Age of Piracy in the early eighteenth century Few accurate records exist about these law breakers whose lifestyles called for hanging Fortunately Anne Bonny was a notable exception to the rule as she was caught off the Jamaican coast and tried by a court of law whose records have

fortunately survived So who was the real Anne Bonny A heartless prostitute a bloodthirsty psychopathic or a compassionate woman of faith and courage Such a fundamental question has not been adequately answered by historians for 300 years It is now time to take a fresh look at the life of Anne Bonny to present a corrective view into not only her story but also the seldom explored but incredibly rich field of women s history The Anne Bonny mythology is today popularly told in Starz channel s Black Sails and the video game Assassin s Creed
