Portrait Of Yesterday:

Yesterday's Murder Craig Rice, 2017-11-14 From the author of the John J Malone Mysteries An estranged relative becomes heir to a Chesapeake Bay fortune and his family's ghostly history If it hadn't been for his great uncle Philip David Telefair would've grown up unwanted forlorn and poverty stricken in a New England parsonage But for twenty years David's generous benefactor paid for his education yearly summer camps living expenses as he grew older and any amenities he ever needed Odd that David had never spoken to him in his entire life Odder still that after all this time the aging Philip has now extended an invitation for David to meet him at his isolated estate on Telefair Island in the Chesapeake From the moment David arrives something feels off First was the local minister's daughter's queer way of describing David's visit inevitable then the unaccountable loathing in the eyes of a Telefair servant and finally a perilously pale female cousin who welcomes David with a warning You ought never to have come This is less a family reunion than an ingeniously designed trap of murder madness and nasty family secrets This stand alone novel by Craig Rice the first mystery writer ever to appear on the cover of Time magazine is an incredible tale where ghosts still pull the strings of human lives where revenge and hate outlast a generation and punishment is insidiously prolonged a haunting sense of impending gloom Kirkus Reviews **Yesterday's Enemy** Barbara Erlichman, 2014-01-02 After being fired from the Academie des Artes in Paris art historian Katrina McLeods job options are extremely limited Although over qualified she agrees to inventory the Baron de Gervays art collection at his remote chateau in Provence Her mundane job soon turns into a nightmare as she finds herself enmeshed in Gervays plot to smuggle terrorists out of France During the day Nick Santini can be seen taking land surveys for a ski resort that his company plans to build just a few miles from the chateau Its his nighttime activities that he needs to keep secret Katrinas smart enough to know she can't handle the situation alone After learning Nicks true identity she accepts his offer of help With the French Riviera as a backdrop they race against the clock to trap Gervay and prevent a planned terrorist bombing in New York City **The Farington Diary** Joseph Farington, 1924 **Register of Kentucky State Historical Society** Kentucky Historical Society, 1908 John O'London's Weekly, 1920 **The Letters of William Lloyd Garrison** William Lloyd Garrison, 1971 The fiery editor of the Liberator helped shape the destiny of a divided nation rapidly moving toward war His letters ring with denunciations of the Compromise of 1850 and the barbarous Fugitive Slave Law a federal bill that not only sent runaway slaves back to angry masters but threatened the liberty of all free blacks Despite such provocation Garrison was an advocate of nonresistance during this period though he continued to advocate the emancipation of slaves Garrison's writings also reflect the interests of his times He engaged in lively correspondence with fellow countrymen Harriet Beecher Stowe Wendell Phillips Susan B Anthony Theodore Parker and Stephen S Foster In a long letter to Louis Kossuth he challenges that Hungarian patriot's stand of opposing tyranny in Europe while ignoring slavery in America Set against a background of wide ranging travels throughout the western United States and of family affairs back home in Boston Garrison
