Portraits From Life:

Portraits in Life and Death Peter Hujar, 2024-10-08 A new edition of the cult classic photography book by the legendary Peter Hujar I am moved by the purity of Hujar's intentions These memento mori can exorcise morbidity as effectively as they evoke its sweet poetry and its panic Susan Sontag *Portraits in Life and Death* is the only book of photographs published by Peter Hujar during his lifetime The twenty nine portraits of creative people ranging from William Burroughs Susan Sontag and John Waters to Larry Ree founder of the Trocadero Gloxinia Ballet Company and T C whose identity is unclear possess a haunting beauty and degree of psychological examination that is both offbeat and riveting Following the portraits come eleven images that can only be described as devastating pictures of semi preserved clothed bodies of nineteenth century Sicilians found in the arid catacombs beneath a church in Palermo There is no necessary connection in the photographs themselves or between the two sections of the book yet the pictorial progression from life to death is an emblem of the journey we all take The living subjects seem to be meditating on the mortality that is limned with such profound effect in the catacomb pictures In different ways both groups of images speak to the basic fears and emotions that we carry with us somewhere beyond our consciousness After viewing this extraordinary book it is almost impossible not to make those connections and interpretations or be moved by Hujar's consistent ability to convey what appears to be the inner spirit of his subjects Even so an air of nonchalance even gaiety hovers over the photographs The book is odd oblique sometimes opaque and certainly deeply felt but it sticks to the mind like a burr It will be noticed Once seen it cannot be forgotten
