## Portraits Of Christ In The Tabernacle:

Portraits of Christ in the Tabernacle Theodore H. Epp, 1979      Portraits of Christ in the Tabernacle Theodore Herman Epp, 1976      A Portrait of Christ David Cloud, 2014      *Portraits of Jesus the Christ* Morris Dubidat, 2019-10-22

The temple was erected to portray God's glory, majesty and grace which was to be revealed in his son Jesus. That I may dwell among them was a revelation of his plan for the future Emanuel God with us. There was nothing on earth like the tabernacle and there was no greater experience to have than the presence of the Almighty God both in sensing his presence and seeing the Shekinah light of his glory in the most holy place. This tabernacle was a revelation of his eternal plan for man's redemption through Jesus his son. After we have settled the sin question at the altar of sacrifice and then have ourselves washed from the defilement of sin at the laver, we are then ready to enter the holy place of fellowship with the saints and to behold the glory, beauty and grace of God. In this Old Testament tabernacle the veil restricted the entrance to the most holy place and hence the presence of the Almighty. But now in this dispensation of grace the veil was ripped open on purpose by God. Since Jesus went into the heavenly tabernacle with his own blood, access is no more denied to those of us who have accepted him as our sacrificial lamb. We can come boldly to the throne of grace where he is seated on the right hand of God his father in heaven. With humbleness of spirit and a heart of gratitude we join in the songs of the redeemed in praise and adoration to him who have redeemed us with his own blood. With such experience in Jesus who was portrayed in the tabernacle we can wholeheartedly agree with David in Psalm 27:4. This one thing is our greatest desire to dwell in his presence.

- 11 Testimonies of Salvation How can we find out the truth hidden in the Tabernacle Only by knowing the gospel of the water and the Spirit the real substance of the Tabernacle can we correctly understand and know the answer to this question. In fact the blue, purple and scarlet thread and the fine woven linen manifested in the gate of the Tabernacle's court show us the works of Jesus Christ in the New Testament's time that have saved the mankind. In this way the Old Testament's Word of the Tabernacle and the Word of the New Testament are closely and definitely related to each other like fine woven linen. But unfortunately this truth has been hidden for a long time to every truth seeker in Christianity. Coming to this earth Jesus Christ was baptized by John and shed His blood on the Cross. Without understanding and believing in the gospel of the water and the Spirit none of us can ever find out

the truth revealed in the Tabernacle We must now learn this truth of the Tabernacle and believe in it We all need to realize and believe in the truth manifested in the blue purple and scarlet thread and the fine woven linen of the gate of the Tabernacle s court The New Life Mission <https://www.bjnewlife.org>      **A Detailed Portrait of Jesus Christ (II)** Rev. Barnes,Tonya Holmes Shook,2006-04-01 This easy Bible study shows a way to successfully live through God s spiritual roadmap Such solution found from an ancient tabernacle to the cross of Christ is readily revealed      **Portraits of God** Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken

together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In *Portraits of God*, Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us as churches and individuals to reflect God's own holy character. This is a book for students, pastors, and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth.
