His Contemporaries, 1976 Library Catalog of the Metropolitan Museum of Art, New York : Supplement Metropolitan Museum of Art (New York, N.Y.). Library, 1962 *Strangers Arrive* Leonard Bell, 2017-11-17 None of us had the faintest idea where we were going but during 1938-39 the town Christchurch was made strangely interesting for anyone like myself with the scattered arrival of the refugees All at once there were people among us who were actually from Vienna or Chemnitz or Berlin who knew the work of Schoenberg and Gropius Anthony Alpers 1985 From the 1930s through the 1950s a substantial number of forced migrants refugees from Nazism displaced people after World War II and escapees from Communist countries arrived in New Zealand from Europe Among them were an extraordinary group of artists and writers photographers and architects whose European modernism radically reshaped the arts in this country In words and pictures *Strangers Arrive* tells their story Ranging across the arts from photographer Irene Koppel to art dealer and printmaker Kees Hos architect Imric Porsolt to writer Antigone Kefala Leonard Bell takes us inside New Zealand's bookstores and coffeehouses studios and galleries to introduce us to a compelling body of artistic work He asks key questions How were migrants received by New Zealanders How did displacement and settlement in New Zealand transform their work How did the arrival of European modernists intersect with the burgeoning nationalist movement in the arts in New Zealand *Strangers Arrive* introduces us to a talented group of aliens who were critical catalysts for change in New Zealand culture *Readings of Contemporary Circus* Franziska Trapp, 2024-08-27 What are the characteristics of contemporary circus In what way does contemporary circus differ from theater dance and performance Where do hybrid forms exist Where are there observable commonalities Despite the diversity of contemporary circus performances are there generalizable characteristics that unite the performances What potential do these questions have for dramaturgical practice This book adapts a cultural semiotic approach to analyze contemporary circus performances It offers the first comprehensive documentation and interpretation of the art form based on the reading theories of cultural literature theater and dance studies The volume thereby provides a dramaturgy of contemporary circus which reveals its generalizable characteristics fundamental techniques and structures and the effects they produce At the same time theories and methods are modified and further developed regarding the characteristics of the circus This book is designed for students and scholars in the field of theater and performance studies as well as for artists dramaturges and directors working in the field of circus **Rodin and His Contemporaries**, 1978

Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911 Carnegie Library of Pittsburgh, 1914 Library Catalog of the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.). Library, 1980 "Rival Sisters, Art and Music at the Birth of Modernism, 1815-1915" James H. Rubin, 2017-07-05 Introducing the concept of music and painting as rival sisters during the nineteenth century this interdisciplinary collection explores the productive exchange from rivalry to inspiration to collaboration between the two media in the age of Romanticism and Modernism The volume traces the relationship between art and music from the opposing claims for superiority of the early nineteenth century to the

emergence of the concept of synesthesia around 1900 This collection puts forward a more complex history of the relationship between art and music than has been described in earlier works including an intermixing of models and distinctions between approaches to them Individual essays from art history musicology and literature examine the growing influence of art upon music and vice versa in the works of Berlioz Courbet Manet Fantin Latour Rodin Debussy and the Pre Raphaelites among other artists *Classified Catalogue of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1922 **The Contemporary Review** ,1909 **The Place of the Viewer** Kerr Houston,2019-05-07 In recent decades art historians and critics have occasionally emphasized a dynamic embodied mode of looking accenting the role of the viewer and the complex interplay between beholders and works of art In *The Place of the Viewer* Kerr Houston shows that an attention to the position and physical experiences of beholders has in fact long informed art historical analyses and that close study of the theme can lead to a fuller understanding of the discipline the act of viewership and individual works of art Simultaneously attentive to historical ideas and contemporary scholarship this book identifies a vein of thought that has been generally overlooked and proposes new ways of seeing familiar works and traditions **A Dictionary of Modern and Contemporary Art** Ian Chilvers,John Graves-Smith,2009 This unique and authoritative reference work contains more than 2 000 clear and concise entries on all aspects of modern and contemporary art Its impressive range of terms includes movements styles techniques artists critics dealers schools and galleries There are biographical entries for artists worldwide from the beginning of the 20th century through to the beginning of the 21st from the Finnish architect Alvar Aalto to the French sculptor Jacques Zoubada With international coverage indications of public collections and publicly sited works and in depth entries for key topics for example Cubism and abstract art this dictionary is a fascinating and thorough guide for anyone with an interest in modern and contemporary culture amateur or professional Formerly the *Dictionary of 20th Century Art* the text has been completely revised and updated for this major new edition 300 entries have been added and it now contains entries on photography in modern art With emphasis on recent art and artists for example Damien Hirst it has an exceptionally strong coverage of art from the 1960s which makes it particularly ideal for contemporary art enthusiasts Further reading is provided at entry level to assist those wishing to know more about a particular subject In addition this edition features recommended web links for many entries which are accessed and kept up to date via the *Dictionary of Modern Art* companion website The perfect companion for the desk bedside table or gallery visits **A Dictionary of Modern and Contemporary Art** is an essential A Z reference work for art students artists and art lovers **Reims on Fire** Thomas W. Gaehtgens,2018-07-10 As the site of royal coronations Reims cathedral was a monument to French national history and identity But after German troops bombed the cathedral during World War I it took on new meaning The French reimagined it as a martyr of civilization as the rupture between the warring states Despite a history of mutual respect the bombing of the cathedral caused all social scientific artistic and cultural ties between Germany and France to be severed for decades The

resulting battle of words and images stressed the differences between German Kultur and French civilisation Artists and intelligentsia caricatured this entrenched cultural dichotomy influencing portrayals of the two nations in the international press This book explores the structure s breadth of meaning in symbolic art historical and historical arenas including competing claims over the origins of Gothic art and architecture as national style and issues of monument preservation and restoration It highlights how vulnerable art is during war and how the destruction of national monuments can set the tone for international conflict once again a timely and pressing issue Thomas W Gaehtgens articulates how these nations began to mend their relationship in the decades after World War II starting with the courageous vision of Charles de Gaulle and Konrad Adenauer and how the cathedral of Reims was eventually transformed into a site of reconciliation and European unification

Modernity, History, and Politics in Czech Art Marta Filipová, 2019-07-08 This book traces the influence of the changing political environment on Czech art criticism history and theory between 1895 and 1939 looking beyond the avant garde to the peripheries of modern art The period is marked by radical political changes the formation of national and regional identities and the rise of modernism in Central Europe specifically the collapse of Austria Hungary and the creation of the new democratic state of Czechoslovakia Marta Filipová studies the way in which narratives of modern art were formed in a constant negotiation and dialogue between an effort to be international and a desire to remain authentically local
