Stallings,2020-08-31 Are there sufficient evidences to plausibly warrant positing a global Noahic Flood within the auspices of a specific Old Earth biblical paradigm If so what are they It is our firm conviction that God has allowed the passage of time to cover the blatant earthen signs of the Noahic Flood in such a way and just enough as to require earnest seekers of truth to use their eyes of faith and their vision of the kingdom metanarrative along with their empirical sight and senses to view and interpret the richness of the evidence Prerequisites in this quest include a great respect for the authority of Holy Scripture a pure heart with a simple desire for God s truth and a relentless willingness to look for both the forest and the trees viz to see the multitudes of seemingly unrelated small scenes always in light of the big picture The negation of any of these necessities will completely nullify the veracity of one s conclusions However we strongly aver that the totality of these necessities can bring the historical truth of the mystery of the Noahic Flood into a much much greater clarity **The Torah: Bereishis**

Boteach,2024-01-23 As many as one in three long term marriages in America are sexless and most people accept this as the inevitable course of a romantic relationship In this groundbreaking book Rabbi Shmuley Boteach explains why the prioritizing of love and companionship in marriage is all wrong and why we should not go quietly into that dark night of celibate marriage It is not love Rabbi Shmuley shows but lust that is the glue of a marriage In this book you will learn how to restore lust to its rightful place as the central pillar of marriage You will learn about the three principles of lust and how to tap into them to keep the flames burning in the family hearth Finally you will discover the incredible emotional and spiritual potential of the intimate marital bond In a wide ranging discussion that plumbs the depths of the erotic mind Rabbi Shmuley delivers a revolutionary message with the power to completely transform your most important relationship *Welcome to*

*the Club* Moshe Sonnheim,2004 If you are a grandparent or will soon be one this book will become both a guide and a tool to understanding your role and implementing your grandparenthood      **Have You Found... or Will You Find?** Martin van Dommele,2014-10-03 Everybody wants a perfect relationship and we all long to be united with our missing part the other half of our soul Many novels are written about it and many movies tell romantic stories but in real life it all seems just a fairy tale *Have You Found or Will You Find* shows you that true love can be found It explains what a soul mate is and how to find that person It also provides you with the information you need to draw that special person to yourself Not just single people but also married couples will enjoy reading *Have You Found or Will You Find* and learn to enhance their relationship and create a connection on a deeper level by understanding what a soul mate relationship is all about *Have You Found or Will You Find* will teach you what it takes to establish a soul mate relationship Finally *Have You Found or Will You Find* also addresses the five factors that can undermine a soul mate relationship and reveals the root of the problem So if you want to find your soul mate establish a soul mate relationship and avoid anything that can harm this connection *Have You Found or Will You Find* is what you want to read      *Mystery of Black Fire, White Fire* Bruce Friedman,2016-05-17 Faith forms the foundation of both science and religion In *Mystery of Black Fire White Fire* author Bruce Friedman uses this thought as a springboard for a discussion of the commonalities existing between these two realms particularly with regard to cosmology and the origins of the universe *Mystery of Black Fire White Fire* provides a contemplation of the Creation and begins by offering an understanding of the basic principles of both Judaism and science The mysticism of kabbalah with its inclusion of creation from nothing among its other features is found to grapple with issues that science could only start to properly address in the twentieth century Combining the tools and knowledge of science with those of Judaism Friedman shows that new avenues of thought and revelation can be found But he also communicates that with all of the resources of science and religion available to humanity the resolution of the basic mystery of creation with which kabbalah concerns itself remains elusive Praise for *Mystery of Black Fire White Fire* What has Athens to do with Jerusalem a writer of antiquity famously asked Or as we might put it today what has modern science to do with the Torah This fascinating and erudite book combining great scientific and theological sophistication gives us the answer Stephen M Barr physics professor at the University of Delaware and author of *Modern Physics and Ancient Faith*      *Brothers and Sisters* Henry Abramovitch,2014-10-07 Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch's *Brothers and Sisters* explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own

relationship with his brother and sister      The Imagery of Scripture: Genesis David Stellwagen,2024-02-15 This Bible study focuses on what the ancient church fathers referred to as typology It is an approach to reading Scripture that has been overlooked for centuries The Imagery of Scripture series takes the core idea of typology and builds upon it on an epic scale Twenty years and more than ten thousand hours of a magnificent obsession have yielded a unique Bible study for the ages The Imagery of Scripture Genesis is the second book in the series a series that focuses on seeing the Word of God with both new and ancient eyes This approach will allow the reader to admire the Bible in a profound way revealing the wonder of God's Word and how it points in untold ways to a place named Calvary      □□□□ □□ □□□□ □□□□□: **Bereishis** 1995,□□□□

*Theophanic "Type-Scenes" in the Pentateuch* Nevada Levi DeLapp,2018-01-25 An examination of the presence of theophanic scenes in the final form of the Pentateuch which argues that rather than there being a single overarching theophanic type scene there are multiple such scenes which reflect the individual theological tendencies of the biblical books within which they appear The Genesis type scene revolves around YHWH's promises in crisis situations i.e. YHWH only appears when there is a crisis or threat to the Abrahamic promise The Exodus type scene typically includes the appearance of YHWH's dangerous fiery presence Kabod Adonai a communal setting and divine action constituting or preserving Israel as a people in preparation for the Abrahamic inheritance In Leviticus the theophanies augment the Exodus type scene with a liturgical setting where a specific priestly action brings forth a theophanic response DeLapp then shows how Numbers recontextualizes each of the preceding type scenes as it retells the exodus narrative post Sinai When read synchronically the three type scenes build on each other and follow the developing narrative logic of Israel's larger story Deuteronomy then re-reads the Exodus type scene and indirectly the Genesis type scene to ensure that later readers read the theophanies appropriately i.e. YHWH only appeared as formless and shrouded in fire      **Judaism's Bible: The Book of Genesis, pt. 1** Shlomo Zalman Elazer Grafstein,1999      **The Story of Dinah** Gavi S. Ruit,2019-07-26 The Story of Dinah examines the intersection of rape culture and Jewish tradition by tracing over two thousand years of Jewish commentary on Genesis 34 Using a definition of rape derived from the Hebrew Bible Ruit scrutinizes the commentaries on the text for reflections of what would be deemed rape myths today This book journeys through time and tradition as it uncovers the evolution of Jewish thought regarding women rape and women who have been violated Every period examined from the biblical account and the intertestamental writings all the way through to present day reveals surprising and powerful insights about Jewish tradition and its attitudes towards women and sexual violation      **Restoring the Ancient Paths ,      Jewish Action ,1995      Glikl Glueckel (of Hameln),2019-12-15** My dear children I write this for you in case your dear children or grandchildren come to you one of these days knowing nothing of their family For this reason I have set this down for you here in brief so that you might know what kind of people you come from These words from the memoirs Glikl bas Leib wrote in Yiddish between 1691 and 1719 shed light on the life of a devout and worldly woman Writing initially to seek solace in the long nights of her

widowhood Glikl continued to record the joys and tribulations of her family and community in an account unique for its impressive literary talents and strong invocation of self Through intensely personal recollections Glikl weaves stories and traditional tales that express her thoughts and beliefs While influenced by popular Yiddish moral literature Glikl s frequent use of first person and the significance she assigns her own life experience set the work apart Informed by fidelity to the original Yiddish text this authoritative new translation is fully annotated to explicate Glikl s life and times offering readers a rich context for appreciating this classic work 2009, □□□□
