young Americans were sworn into the Marine Corps as part of the pre game ceremonies of a Minnesota Twins baseball game Before the end of the fourth inning these volunteers were being hustled on to buses on their way to boot camp It was a journey that would take them from a boyhood of baseball in the American heartland to manhood on the killing fields of Vietnam Christy Sauro was one of the Twins Platoon and in this book he tells what it was like from the pomp and ceremony of induction to the all too real initiation by fire that would shortly follow in mere months he and most of the Twins Platoon were on the ground in Vietnam and promptly faced with some of the toughest fighting of the war the Siege of Khe Sanh and the Tet Offensive including the brutal Battle for Hue From baseball to boot camp to brutal combat his is a firsthand story of American life being lived at the limits and changed forever

The Blackhorse in Vietnam Donald Snedeker,2020-04-14 This military history chronicles the combat operations of the Blackhorse Regiment which paved the way for armored cavalry tactics in the Vietnam War South Vietnam September 1966 When the 11th Armored Cavalry Regiment came ashore at Vung Tau it faced a number of challenges In addition to the threat of the Viet Cong and the North Vietnamese Army the terrain and weather posed their own dangers adversely affecting the use of bulletproof vehicles and helicopters The dearth of doctrine and tactics for the employment of armored cavalry in a counterinsurgency was equally challenging especially during pre deployment training and initial combat operations But despite all this the leaders of Blackhorse Regiment found a way to accomplish their mission Within a year of their arrival in Vietnam Blackhorse troopers overcame ambushes that featured anti tank weapons numerous landmines and coordinated assaults They not only defeated an enemy division twice their size but also demonstrated how to succeed while operating on and off the roads in the jungle and during both the wet and dry seasons By the spring of 1967 army leaders were beginning to realize the value of troops stationed in Vietnam And with the Blackhorse Regiment leading the way armor came to be considered an essential part of the combat team Written by a Blackhorse veteran this regiment history features firsthand accounts from soldiers who served in Vietnam and Cambodia

War Paint Robert E. Mallory,2021-10-25 This is my story as an American Indian leaving the reservation enlisting in the U S Army in 1967 and going to war in Vietnam as so many other American Indians did The Indians came from all the nations We enlisted to become warriors like so many of our ancestors As a young Indian boy who had never left the reservation before I saw many similarities to my home in this strange and beautiful country in the trees the creeks and the rivers These are my recollections of the firefights I participated in and the day to day life we infantrymen endured It was said that Company C also known as Charlie Company was given the name Bandido when a commander was flying over a group of soldiers as they waited in a landing zone to be picked up Looking down at the men he said Those men look like Bandidos And from that time on they became Bandido Charlie Today Bandido Charlie still rides with the 1st Infantry Division not as an infantry company but as an armored company The story of Firebase Cudgel is one of many battles and firefights that the 5th Battalion 60th Infantry 3rd Brigade 9th Infantry Division were participants in during their combat time in Vietnam

Semper Fi: Vietnam Edward F. Murphy, 2007-12-18 From their early days in 1965 when the order of the day was to drive the insurgent Viet Cong from the villages around Da Nang to the final dramatic evacuation of Saigon ten years later *Semper Fi Vietnam* relates the whole gutsy glorious saga of the Marines in Vietnam in stark riveting detail Acclimating to their strange new surroundings occupied the Marines first few weeks in South Vietnam Throughout the day peasants dressed in pajama like clothing and sporting conical hats worked the paddies behind the heaving water buffalo If daytime scenes appeared bucolic the arrival of sunset quickly changed that perception Gunfire and explosions erupted at dusk Marines nervously watched bright tracers cut colorful swaths across the night sky From distant bamboo thickets mortar shells flew skyward to crash in the paddies The Marines were learning that the war in South Vietnam was unlike anything for which they d been trained

Thirteen Months, Fourteen Days The Journey William E. Mattatall, 2010-12-08 *At Night He Remembers* James Cunneen, 2023-07-07 *At Night He Remembers* traces the life of Jacob from his coming to Christ as a young lieutenant in Vietnam through his years as a college professor campus minister and at last an old man agonizing over whether his life was fruitful for God This book will encourage and challenge all believers who desire to serve the Lord and say at the end of their lives Father I have accomplished the work you sent me to do

BEHIND THE WIRE James Stoup, 2015-11-09 *Behind the Wire* is a story about the other side of the Vietnam War It takes place at the beginning of the end of the United States involvement in Vietnam from May 1970 to May 1971 Unlike many of the combat stories coming out of this war this is a story about life in the rear life behind the wire and the 365 day experience that was shared by hundreds of thousands of soldiers who went to Vietnam but never saw combat It s a story about the large subculture of anti war anti establishment troops that served there and how they lived and experienced their year in the Nam It s a story about drugs sex rock roll insubordination fraggings and the incredible lifestyle that evolved in every rank of the military over the ten year course of the war And it s a story about an Army that knew it was losing not only the war but also the confidence and support of its troops Just as protesters back home were changing the country s view and support for the war so too were many of the troops in Vietnam protesting the war in their own right This is a real REMF rear echelon m f story as told by a U S Army journalist who spent his year in the Nam at the start of the wind down period of the war

Weaver Stephen Baxter, 2008-07-01 The concluding volume of the acclaimed *Time s Tapestry* series This is the climax of one of the most thoughtful and involving series of novels that have brought history alive like no other *Fantastic Fiction* It is a war that has been fought throughout the centuries the fate of Rome the fate of Christendom the fate of the young country called America all were at stake down through the ages Now in the early days of WWII as Germany launches a successful invasion of England nothing less than the fate of the 20th century is to be determined For the Nazi s have a secret plan far grander than simply subjugating an enemy In the middle of that plan tangled up in the strands of history are Mary Wooler an American historian caught in the Blitz her son Gary fighting a ruthless invader at civilization s frontier and Ben Kaman a Jewish refugee

whose dreams place him at the heart of the conspiracy that is threatening the fabric of the tapestry of time *Further Recollections of 107th Field Coy* M. J. beyond human understanding With eyes of steel the Advocate stared at Satan s most feared henchman his jaw fixed ready to litigate Mike s case before God However his Defender knew that any physical interference in this inquisition was limited to protecting Mike s body The Paraclete had sealed Mike s soul for the resurrection so this testing was to question Mike s spiritual integrity was he worthy of God s grace and his kingdom Although Mike would be given a place of honor in the throne room of heaven for his victory over Satan s dark force of doom this story doesn t end there **Hawk Recon** William Osgood,2025-08-05 a refreshingly honest and authentic war memoir The VVA Veteran It took courage and a certain sense of wild adventure to be a combat medic during the Vietnam War and William Doc Osgood exemplified their daring attitude Doc would see combat throughout South Vietnam spending much of his time deep in the bush far from the relative safety of base camps With the less than encouraging words that you ll be dead in 15 seconds still ringing in his ears Doc embarked on an eventful and at times harrowing combat tour that pitted the famed 101st Airborne Division against some of the North Vietnamese Army s finest troops on the battlefields of the Ho Chi Minh Trail Hamburger Hill and the deadly A Shau Valley Doc would serve as the head medic with legendary Colonel Charlie Beckwith s creator of the US Army s Delta Force 2 327th 101st Airborne Division Hawk Recon in what was arguably one of the most dangerous jobs in the deadliest part of South Vietnam Doc also became an unofficial combat artist during the war
