Sarah Johnson's Mount Vernon Scott E. Casper, 2025-08-22 *New Stories from an Old American Shrine* The home of our first president has come to symbolize the ideals of our nation freedom for all national solidarity and universal democracy Mount Vernon is a place where the memories of George Washington and the era of America's birth are carefully preserved and re-created for the nearly one million tourists who visit it every year But behind the familiar stories lies a history that visitors never hear Sarah Johnson's Mount Vernon recounts the experience of the hundreds of African Americans who are forgotten in Mount Vernon's narrative Historian and archival sleuth Scott E Casper recovers the remarkable history of former slave Sarah Johnson who spent more than fifty years at Mount Vernon before and after emancipation Through her life and the lives of her family and friends Casper provides an intimate picture of Mount Vernon's operation during the

nineteenth and early twentieth centuries years that are rarely part of its story Working for the Washington heirs and then the Mount Vernon Ladies Association these African Americans played an essential part in creating the legacy of Mount Vernon as an American shrine Their lives and contributions have long been lost to history and erased from memory Casper restores them both and in so doing adds a new layer of significance to America s most popular historical estate *Knowledge and Rational Action* Roman Heil,2025-07-23 This book motivates and systematically develops the view that knowledge should be at the centre of our theory of practical rationality Only act on what you know the book offers the first comprehensive defence of this slogan in the form of a knowledge based decision theory The proposed view is shown to be the most straightforward explanation of emerging bodies of evidence for a link between knowledge and rational action The book provides novel solutions to well known challenges that invoke high stakes scenarios seemingly rational actions based on reasonable but false beliefs and decision making under risk and uncertainty The emerging view brings together traditional and formal approaches to epistemology and the study of practical rationality The resulting knowledge based decision theory is embedded in a rich normative landscape encompassing innovative accounts of excuses rational acceptance and the simplification of reasoning Knowledge and Rational Action will be of great interest to researchers and graduate students interested in epistemology practical rationality and decision theory *A Colleen Coble Suspense Collection* Colleen Coble,2015-12-15 Alaska Twilight For some people Alaska is a breathtaking wilderness adventure full of light and beauty For Haley it is a dangerous world of dark dreams and tortured memories Fire Dancer When a serial arsonist known as The Fire Dancer strikes in the wilds of Arizona Tess finds herself fighting more than wildfires Abomination A beautiful woman stands by the side of the road barefoot and bleeding a child in her arms Someone just tried to kill her but she wouldn t recognize him if she saw his face She doesn t even remember her own name Anathema When Hannah refuses to forgive a terrible sin she becomes anathema shunned But the real question is can she forgive herself *The 16th Song* David Powell,2015-04-07 Peter Daniels a talented composer and pianist is alone in the turbulent Paris of the 1950 s when Marie Gautier an attractive translator and her charismatic boy friend Jean Claude Gubler a radical young lawyer befriend him Working as he does in the demi monde of illegal immigrants and left wing causes Jean Claude helps him find work replacing an American pianist who has broken his fingers in a fight in a jazz club When the man is deported Peter moves into his flat and discovers a sheaf of unpublished but brilliant music When Peter hears of the man s suicide in an American jail the music becomes both his treasure and his guilty secret At the same time the political and criminal forces that Jean Claude opposes pursue them and destroy their relationship forcing Peter to run for his emotional life back to a life with Hannah his student girlfriend Almost by accident his illicit musical treasure trove makes him rich but its source makes him secretive and this secrecy along with his suspicious nature threaten to break his marriage Yet the music acts as a conduit to the past and try as he might he cannot escape the spotlight it draws to him Peter learns that just as events control his life and his need for secrecy perverts it and he worries that his
