## **Sarah's Incredible Idea:**

**Sarah's Story** Sarah Lea Pisan, 2013-05 Sarah's Story offers an in depth look at the mental anguish caused by a sick twisted predator. It is rare to really be able to examine the torment serial killers and stalkers have on their prey. Unfortunately there are not often survivors to tell their story. The images and nightmares that were created by his disturbing threatening phone calls are brought to the surface giving the reader some real insight into the games played by these psychopaths. Even when the threat is removed the lasting effects linger. The physical threat by a deranged monster is always evident. The emotional mental torture is entirely different. Sarah is one of few people that can offer that firsthand account. She lived it for several months. Sarah's Story gives both the physical and mental aspects of being stalked by a serial killer capable of evils beyond imagination. To make matters worse the police could not catch him. Sarah Lea Pisan is a 52 year old mother of three grandmother of five. She currently lives in Oregon near the coast. She enjoys time spent with her family. She also likes to fish clam and crab. Her hobbies include painting reading and various crafts. She is working in insurance presently. **Sarah's Revenge** Gail Loreth, 2014-02 After Henry Jacobs literally runs into Jillian Brooks when he backs into her front bumper in a shopping center parking lot she exchanges insurance information with the stranger without any idea that a small crinkle in a fender is about to escalate into months of terror. After she is stalked and tormented for six months by Jacobs Jillian finally puts an end to her torture by firing a fatal bullet into Jacobs's brain. Now after months of therapy and a move into a new house built by her husband's construction company it seems life is returning to normal or so she thinks. When she starts receiving phone calls with nothing but silence on the other end and psychotic notes with her name written in red Jillian wonders if it is someone's idea of a bad joke or if something more sinister is in the works. Fearing she is the object of another killer's desire Jillian has no choice but to summon help from her detective friend Carol Hobbs. In this gripping thriller a woman in fear for her life must battle to protect herself and her husband and daughter from a killer driven by cold blooded revenge.
