Sarah's Sin:

Sarah's Sin Tami Hoag, 2009-02-19 From award winning author Tami Hoag comes a warm moving story of two cultures in conflict and two hearts in love Matt Thorne had come to his sister's rural inn to recover from an injury far from the city and his fast paced life as an emergency room physician Drifting between sleep and waking Matt didn't trust his eyes when he saw the young woman who sat at his bedside in her plain cotton dress and apron her chestnut hair tucked demurely beneath a white bonnet like a beautiful vision from the past century Sarah Troyer had been warned about the womanizing Dr Throne but nothing prepared her for the shiver of desire that shook her to her core when she gazed at him Though her life was bound by the simple Amish way Sarah had always longed for the world outside Her job at the inn already branded her as a rebel in her community and falling in love with a stranger would mean the loss of her family and the only life she knew Yet something sparked within her with every touch of his hand each glance from his dark eyes Sarah was willing to allow herself a brief secret adventure in the arms of a forbidden man But she hadn't counted on Matt's passionate love a love that would not let go a love that could cost them both everything they knew **All the Women of the Bible** Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible

Risible Delia Casadei, 2024-02-13 *Risible* offers an alternative re-telling of the intellectual technological and sonic history of laughter a phenomenon that cannot be accounted for through its causes such as theories of comedy Instead Delia Casadei argues laughter is a technique of the human body knowable by its repetitive clipped and proliferating sound and its enduring links to the capacity for language and reproduction The long forgotten history of laughter which reaches back to ancient Greece re-emerges with explosive force in the late nineteenth century thanks to the binding of laughter to sound reproduction technology This alternative genealogy of laughter as human technique and sound technology is thrown into stark relief by the tension between the ownership and reproduction of the black voice in phonograph records in metaphors of contagion and laughter in the early global market of phonographic laughing songs and in the strange commodity of pre-recorded laughtracks As such laughter becomes a means of working out the very category of sound not quite human unintelligible reproductive and reproducible contagious across the twentieth century Hexapla in Genesis, that Is, a Sixfold Commentary Upon Genesis, Wherein Sixe Severall Translations, that Is, the Septuagint, and the Chaldee, Two Latin, ... Two English, ... are Compared ... with the Original Hebrew, and Pagnine and Montanus ... Together with a Sixfold Use of Every Chapter ...
