## **Sarah's Prairie A Novel:**

Sarah's Prairie Delbert Friesen Plett, 1995      **Sarah's Promise (Country Road Chronicles Book #3)** Leisha Kelly, 2008-09-01 Frank Hammond makes a wintry journey of over two hundred miles to help his brother and look into a job offer he hopes will be the new beginning he is searching for But all Sarah wants is to make a home as close as possible to the farms where they were raised Why would Frank even consider moving so far away As Frank strives to make a new start in a fresh location he comes face to face with his own handicaps and a new found call of God At the same time Sarah struggles for the faith to fulfill her own promise to trust God and Frank no matter what the circumstances With their wedding date approaching Sarah must come to terms with her doubts and misgivings while Frank finds that a gesture of kindness to strangers has opened a surprising door of renewed hope Leisha Kelly fans will thrill to see the unfolding love story of Frank and Sarah a fitting conclusion to the Wortham and Hammond saga      Novel Approaches to Lesbian History Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible      **The Novels of J.
