

Journey to Centennial SARASOTA

SECOND REVISED EDITION

Understanding our history gives us the opportunity to create a better future. Thanks to Jan Matthews' excellent book we are able to grasp the roots of our community and through that understanding, prepare a better future for the people of Sarasota County.

Clyde Butcher

**By Janet Snyder Matthews, Ph.D.
Epilogue by Allan H. Horton
With a foreword by John D. MacDonald**

Florida history is a collection of the histories of its locales. Due to its size, the difficulty of travel and the preference of people drawn from through out the country and around the world, our history is local history.

Jan Matthews has again given us a window into the evolution of one of Florida's most intriguing places, Sarasota. From the indigenous people who fished its bays and inlets, to the Europeans who launched some of the most significant expeditions from its coast, to the cast of colorful men and women who have made it what it is today, Sarasota has seen it all and Jan has correlated those experiences in words and pictures.

**Bob Graham, United States Senator
Florida's 38th Governor**

Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America's southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day's walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida's transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain to Old South New South to Sunbelt **The Book Lover's Guide to Florida** Kevin M.
