Saratoga Springs A Historical Portrait Images Of America:

Saratoga Springs Timothy A. Holmes, Martha Stonequist, 2000 Brilliant afternoons awash in sunshine health history and horses this is the experience Saratoga Springs spreads out for visitors year after golden year From the long distant past the powerful waters from deep in the earth made this place a wellspring of the healing arts The allure of meeting in the healthy country environment brought society first from the eastern cities and then from all points of the globe Society itself became an object for summer entertainment and connecting with living history came to be a recreational pursuit Nestled in the foothills of the Adirondacks Saratoga Springs across two centuries has been the midsummer mecca There is more to Saratoga Springs While the Spa City opens its arms to all travelers along with the charms there stands a robust cheerful and stalwart core of residents who have over the years transformed a northern wilderness into an oasis of leisure and elegance Behind the grand hotels of Broadway and America's Monte Carlo are the mansions of Union Avenue and Circular Street the winter play and the personalities shaping a place of character comfort and culture Saratoga Springs A Historical Portrait is their story the small town at the heart of the City in the Country

Rails in and around Saratoga Springs Richard Chait, 2017-09-11 Saratoga Springs is special Its reputation goes back to 1767 when Native Americans brought Sir William Johnson to the area for the healing powers of the High Rock Spring From this humble beginning the popularity of Saratoga Springs and its many mineral water springs grew from the 19th century to the mid 20th century Railroads played a key role in that growth The first train entered Saratoga Springs in 1832 Regularly scheduled passenger trains made Saratoga Springs more accessible and as a result it grew by leaps and bounds Beautiful train stations welcomed visitors the Saratoga Race Course opened large bathhouses were constructed the Grand Union and other luxurious hotels awaited overnight guests and many people from all walks of life visited the casino in historic Congress Park Visits to historic locations such as Mount McGregor and North Creek were made easier by train Along with the railroads in and around Saratoga Springs this book also includes historic highlights of those locations

Race, Gender, and Identity in American Equine Art Jessica Dallow, 2022-05-19 This book traces an evolution of equine and equestrian art in the United States over the last two centuries to counter conventional understandings of subjects that are deeply enmeshed in the traditions of elite English and European culture In focusing on the construction of identity in painting and photography of Blacks women and the animals themselves involved in horseracing rodeo and horse show competition it illuminates the strategic and varying roles visual artists have played in producing cultural understandings of human animal relationships As the first book to offer a history of American equine and equestrian imagery it shrinks the chasm of literature on the subject and illustrates the significance of the genre to the history of American art This book further connects American equine and equestrian art to historical theoretical and philosophical analyses of animals and attests to how the horse endures as a vital meaningful subject within the art world as well as culture at large This book will be of interest to scholars in art history American art gender studies race and ethnic studies and animal studies **The Quarterly Journal of the New York State Historical Association** ,1913 Arts Digest ,1929 Art Digest ,1926 Includes section The great calendar of American exhibitions *World Museum Publications* ,1982 **Proceedings of the New York State Historical Association** New York State Historical Association, New York State Historical Association. Meeting, 1913 *At the Table of Power* Diane M. Spivey, 2022-09-13 *At the Table of Power* is both a cookbook and a culinary history that intertwines social issues personal stories and political commentary Renowned culinary historian Diane M Spivey offers a unique insight into the historical experience and cultural values of African America and America in general by way of the kitchen From the rural country kitchen and steamboat floating palaces to marketplace street vendors and restaurants in urban hubs of business and finance Africans in America cooked their way to positions of distinct superiority and thereby indispensability Despite their many culinary accomplishments most Black culinary artists have been made invisible until now Within these pages Spivey tells a powerful story beckoning and daring the reader to witness this culinary cultural and

political journey taken hand in hand with the fight of Africans in America during the foundation years from colonial slavery through the Reconstruction era These narratives together with the recipes from the nineteenth and twentieth centuries expose the politics of the day and offer insight on the politics of today African American culinary artists Spivey concludes have more than earned a rightful place at the table of culinary contribution and power Proceedings of the New York State Historical Association with the Quarterly Journal New York State Historical Association, 1913
