Saroyan A Biography:

Saroyan Lawrence Lee, Barry Gifford, 1998-01-01 A biography of William Saroyan an American author working mainly in the middle of the twentieth century **A Daring Young Man** John Leggett, 2002 He was so famous that Saroyanesque entered the vocabulary of his time an adjective expressing the childlike sweetness the evocation of loneliness the innocence that characterized his work His name was known to anyone in America who read a magazine listened to the radio cared about theater or bought a book At one time he had three plays simultaneously on Broadway including *My Heart's in the Highlands* and *The Time of Your Life* which won the Pulitzer Prize and the Drama Critics Circle Award His first collection of stories *The Daring Young Man on the Flying Trapeze* was published by Bennett Cerf when Saroyan was twenty six years old it was a critical and commercial success Saroyan went to Hollywood and wrote *The Human Comedy* over a Christmas holiday it became a major wartime movie and won him an Oscar for best screenplay His writing was a mixture of old world suffering and new world optimism But for all of his promise and brilliance and his half century struggle to reach the pantheon of American writers his gift was not large enough to sustain him Now in this full scale biography John Leggett gives us Saroyan whole from the immigrant boy and his lonely orphanage years to the internationally acclaimed American writer Here is the all encompassing story the fun the follies the lights and the shadows of his life Leggett writes about Saroyan's roller coaster courtship and two marriages to the beautiful Carol Marcus she was seventeen and he thirty four when they met about his relationships with his publishers and with his long time agent Hal Matson about his friendships with Budd Schulberg Irwin Shaw George Jean Nathan and others and the many productions on Broadway and off of Saroyan's plays He writes about Saroyan's constant struggle with his addictions to gambling and extravagant living his disappointments as a writer and his undiminished belief in his own talent a belief that it would prevail no matter how many colleagues turned away from his excesses and his demands Drawing on interviews and on Saroyan's letters notes and diaries John Leggett author of *Ross and Tom* A great book Leon Edel gives us a revealing portrait of the man and the writer whose work charmed and touched the heart of mid twentieth century America *The Magical Pine Ring* Margaret Bedrosian, 1991 Margaret Bedrosian's pioneering interdisciplinary study examines the continuing effect of Armenian history on Armenian American writing Using the work of ten Armenian American poets and fiction and non fiction writers she shows the continuing impact on Armenian Americans of cultural symbols myths and attitudes carried over from the Old World and explores the ways in which two cultures meet conflict and become integrated in the imagination Through analysis of writers actual or fictionalized experience *The Magical Pine Ring* provides an understanding of the Armenians specific concerns as Armenians and as immigrants the effect of their self awareness as Armenians on their adaptation to America the typical and stereotypical situations and personalities that emerged with time and the key values and beliefs that endured even as names were changed and assimilation blurred physical and social demeanor Bedrosian also explores the directions Armenian American writers

have taken in portraying group history and the nature of their self discovery as Armenian Americans For the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our understanding of the Armenian diaspora *A Literary History of the American West* Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance **A Study Guide for William Saroyan's "Resurrection of a Life"** Gale, Cengage Learning, A Study Guide for William Saroyan s Resurrection of a Life excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **Current Biography** ,1948 **A Study Guide for William Saroyan's "The Time Of Your Life"** Gale, Cengage Learning,2016 A Study Guide for William Saroyan s The Time Of Your Life excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *The Wild Life of Sailor and Lula* Barry Gifford,1996 This volume comprises six interlocking novels which chart the wild lives of star crossed lovers Sailor Ripley and Lula Pace Fortune The bizarre and varied characters of the stories inhabit a surreal world where paradoxes abound **The Facts on File Companion to American Drama** Jackson R. Fine,Paul Skenazy,1995 In the beginning there was the bay the land the forty three hills the coastline down to Monterey the strip of mountains the quiet valley behind the vast ocean the hidden faults And with the landscape came the stories as Paul Skenazy and David Fine note in their introduction to this new anthology of essays San Francisco is as much a place in the mind as on the map if the terrain set the stage for the stories the stories have helped remake our perceptions of the space These twelve essays explore the relationship between place and prose between San Francisco the city and San Francisco the territory of fiction From the Gold Rush times of Mark Twain and Bret Harte through the Prohibition Era of Dashiell Hammett to the Beat days of Jack Kerouac and the present works of writers like Maxine Hong

Kingston Amy Tan and Arturo Islas San Francisco has been blessed with great writers who have given life to the land in their fiction These essays engage the history and geography ethnic gender and class conflicts and stylistic range of the fiction They demonstrate how authors as various as Jack London Gertrude Atherton Frank Norris William Saroyan James D Houston Joan Didion and Wallace Stegner have re created and revised our understanding of this region *The Dream Endures* Kevin Starr,2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California s most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city s beauty and commercial importance San Francisco s most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr s California books
