Saskatchewan A Celebration:

Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba , **Homesteading in the Last Best West** Elaine Melby Ayre, 2022-03-30 THE AUTHOR TOOK HER GRANDFATHER JB HANSEN S memoir written before his death in the mid sixties and by augmenting it with a variety of interesting primary sources and her own personal comments she brings new life to the realities of southeastern Saskatchewan homesteading in the Rural Municipality of Souris Valley 7 in the first half of the twentieth century This will give readers of today a better understanding of everyday life in those homesteading days Many examples show changes in the forms of travel cost of living farming methods food preparation and daily activities all to help us understand this history and serve to inspire us in dealing with the problems of our day Their personal stories show they found ways to thrive and have good times in spite of the challenges of the times

Saskatchewan History ,1963 *Halloween and Other Festivals of Death and Life* Jack Santino, 2025-03-14 Why do we celebrate Halloween No one gets the day off and unlike all other major holidays it has no religious or governmental affiliation A survivor of our pre Christian agrarian roots it has become one of the most popular and widely celebrated festivals on the contemporary American calendar Jack Santino has put together the first collection of essays to examine the evolution of Halloween from its Celtic origins through its adaptation into modern culture Using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how Halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival Its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre Christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds However the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque *Halloween and other Festivals of Death and Life* is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of Halloween as a rich and diverse reflection of our society s past present and future identity Prairie People Robert Collins, 2011-10-12 An intimate look at the people of the prairies in Manitoba Saskatchewan and Alberta who they are how they live what makes them a breed apart The prairies are Robert Collins s spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his homeland to pay homage to the special character of the people who live in this unique region of Canada *Prairie People* is an absorbing combination of stories anecdotes and touches of history told in the voices of ordinary people and linked by the author s own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada *Prairie people* are clearly not all alike city and town dwellers differ from farmers farmers from ranchers

ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than everybody else They are uncommonly independent and self reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada

Ukrainian Ritual on the Prairies Natalie Kononenko, 2023-05-01 While Canada is home to one of the largest Ukrainian diasporas in the world little is known about the life and culture of Ukrainians living in the country's rural areas and their impact on Canadian traditions Drawing on more than ten years of interviews and fieldwork *Ukrainian Ritual on the Prairies* describes the culture of Ukrainian Canadians living in the Prairie provinces of Alberta and Saskatchewan Despite powerful pressure to assimilate these Ukrainians have managed both to preserve their sense of themselves as Ukrainian and to develop a culture sensitive to the realities of Prairie life creating their own uniquely Ukrainian Canadian traditions The Ukrainian church an iconic though now rapidly disappearing feature of the Prairie landscape takes centre stage as an instrument for the retention of Ukrainian identity and the development of a new culture Natalie Kononenko explores the cultural elements of Ukrainian Canadian ritual practice with an emphasis on family traditions surrounding marriage birth death and religious holidays *Ukrainian Ritual on the Prairies* gives voice to a group of everyday people who are too often overlooked highlighting their accomplishments and their contributions to Canadian life

Prairie Fairies Valerie J. Korinek, 2018-06-26 *Prairie Fairies* draws upon a wealth of oral archival and cultural histories to recover the experiences of queer urban and rural people in the prairies Focusing on five major urban centres Winnipeg Saskatoon Regina Edmonton and Calgary *Prairie Fairies* explores the regional experiences and activism of queer men and women by looking at the community centres newsletters magazines and organizations that they created from 1930 to 1985 Challenging the preconceived narratives of queer history Valerie J Korinek argues that the LBTTQ community has a long history in the prairie west and that its history previously marginalized or omitted deserves attention Korinek pays tribute to the prairie activists and actors who were responsible for creating spaces for socializing politicizing and organizing this community both in cities and rural areas Far from the stereotype of the isolated insular Canadian prairies of small towns and farming communities populated by faithful farm families *Prairie Fairies* historicizes the transformation of prairie cities and ultimately the region itself into a predominantly urban and diverse place

West-words Moira Jean Day, 2011 *West words* gives the reader a bird's eye view of the contemporary theatre scene across the prairies
