## **Saskatchewan The Roots Of Discontent And Protest:**

**Saskatchewan** John W. Warnock,2004 In celebration of its centennial in 2005 here is the story of Saskatchewan

**Saskatchewan Politics** Howard A. Leeson,2009 Accompanied by DVD videodisc entitled The 2006 08 throne and budget debates between NDP leader Lorne Calvert and Saskatchewan Party leader Brad Wall in jewel case      **Perspectives of**

**Saskatchewan** Jene M. Porter,2008-11-01 At the turn of the nineteenth century Saskatchewan was one of the fastest growing provinces in the country In the early 1900s it revolutionized the Canadian political landscape and gave rise to socialist governments that continue to influence Canadian politics today It was the birthplace of Canada s publicly funded health care system and home to a thriving arts and literary community that helped define western Canadian culture In Perspectives of Saskatchewan twenty one noted scholars present an in depth look at some of the major developments in the province s history including subjects such as art literature demographics politics northern development and religion It lays the foundations for a greater understanding of Saskatchewan s unique history identity and place in Canada      **The Prairie**

**Agrarian Movement Revisited** Kenneth Murray Knuttila,2007 The formation of the Territorial Grain Growers Association in 1901 was not the only important event in the early history of what has come to be known broadly as the agrarian movement in the Canadian prairies but it was a defining moment in some respects Arguably it signalled the formation of an agrarian class but at least it was an indicator of an awakening of a democratic consciousness among family farmers Ultimately the Association provided a venue for analysis and critique the development of strategies and tactics and of course the nurturing of leadership and organizational forms that would have a profound influence upon politics and the state in the three prairie provinces and the Dominion as well as the creation of co operatives and other forms of direct action These eighteen essays honouring the 100th anniversary in 2001 of the formation of the TGGA explore important aspects of the historical legacy of the agrarian movement and contemplate their relevance to the current setting for the rural prairies pub desc      *New*

*Directions in Saskatchewan Public Policy* David McGrane,2011 In this new scholarly compilation by David P McGrane established and emerging trends in Saskatchewan public policy are the foundation for setting new directions for the province in the 21st century In what direction should Saskatchewan be headed in the 21st century To answer this question academics from various disciplines at the University of Regina and University of Saskatchewan have come together to produce *New Directions in Saskatchewan Public Policy* the first edited book exclusively devoted to public policy in the province with chapters discussing taxation immigration agriculture urban affairs poverty reduction the social economy labour aging Aboriginal public administration and climate change The authors provide an analysis and description of the current policies of the Wall government and also look back to explore what the Romanow and Calvert governments did in these areas The overarching theme of the book is that despite the province s robust economic growth significant public policy challenges remain for the Saskatchewan provincial government The lesson is that economic growth does not magically solve entrenched

societal problems and that economic prosperity will dissipate if worrisome social trends are left unchecked While many scholarly books shy away from prescription the authors of this book include sections in their chapters that set out new directions for policy development As such the book not only contains solid analysis of the present policy situation but also offers concrete ideas for future policy makers

**Province with a Heart** Randy Boswell, Lynn McAuley, 2005

**In Search of Canadian Political Culture** Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada

*The Power of Persuasion* Kirsten Kozolanka, 2007 Explores the relationship between the politics of the New Right the media and democracy

*Research and Reform* Richard A. Rempel, 2013-07 The untold story of a Canadian pioneer in genetics undergraduate science education and the establishment of Medicare

**The Struggle for Legitimacy** Andrea Sterzuk, 2011-11-11 This book examines the experiences of Indigenous students in settler schools by using the example of a Canadian school as a window into the relationship between colonial discourses indigenized English language varieties racialized identities and the biased educational practices of settler schools The book aims to develop awareness of the colonial past and its present day influences on settler schools to take a close look at the effects of present day settler nationalism on constructions of race and language in settler schools and to explore what could be done differently to lessen present day and future educational inequity The book will have great appeal to education students educators teacher educators and educational researchers in settler contexts

*Canada Since 1960: A People's History* Cy Gonick, 2016-04-18 When Winnipeg's Cy Gonick started the magazine Canadian Dimension in 1963 to provide a home for the thinking and analysis of mostly young leftists engaged in Canadian economic social cultural artistic and political issues he had no grand plan But Canadian Dimension was welcomed by intellectuals scholars and students and it proved enduring Hundreds of Canada's leading figures of the left have contributed to its pages over the years writing about every major topic in Canadian public life This book offers an account of the most important developments in Canadian history from the sixties until today as seen and interpreted by scholars and writers on the pages of Dimension Each chapter reviews a major theme such as Canada's relationship to the U S the development of our health care system the dynamics of Aboriginal non Aboriginal relations and the role of Canadian cultural work in shaping Canadian society Taken together the book provides a unique and broad perspective on virtually every significant event and development in recent Canadian history Readers who know the magazine will find this book a compelling summary of how Canada changed in the past five decades and how the Left saw those changes and challenged them Readers who discover Canadian Dimension through this

book will find a multitude of compelling voices who challenge the dominant neoliberal thinking of mainstream Canadian intellectual life. The twenty seven contributors from every part of the country are Greg Albo, Brenda Austin, Smith, Chris Bailey, Evan Bowness, Mordecai Briemburg, Elizabeth Comack, Angela Day, Bryan Evans, Alvin Finkel, Peter Graefe, Judy Haiven, Larry Haiven, Trevor Harrison, Henry Heller, David Hugill, Peter Kulchyski, Andrea Levy, James McCorrie, James Naylor, Bryan Palmer, Denis Pilon, Joe Roberts, Stephanie Ross, Arthur Schafer, Frank Tester, John Warnock and Chris Webb.

**Transforming Provincial Politics** Bryan M. Evans, Charles W. Smith, 2015-01-01. Transforming Provincial Politics is the first province by province analysis of politics and political economy in more than a decade and the first to directly examine the turn to neoliberal policies at the provincial and territorial level and examines how neoliberal policies have affected politics in each jurisdiction in Canada.

**Natural Resources and Government Revenue: Recent Trends in Saskatchewan** John W. Warnock, 2005. Since the expansion of democracy and the election of the CCF Government in 1944 the people of Saskatchewan have consistently felt that natural resources should be developed for the benefit of all. In Canada today and in many other countries economic rent from resource extraction and use is considered to be the difference between the basic international price of a commodity less all the costs of production including exploration, development of the extraction process, operating the system, the capital invested and the transportation costs. Economic rent under this definition would include the excess profits captured by the corporations as well as the special taxes, fees and royalties which are used by governments to try to appropriate a share of the rent for the general public, the legal owners of the natural resources. The theory is that the private company responsible for the extraction owes royalties to the owners of the resource, the general public and this should be considered a basic cost of production. For example in 2004-5 there was a major increase in the price of oil and natural gas unrelated to the cost of extraction and the monopoly rent was captured by the private corporations and their owners.

**Writing in Dust** Jenny Kerber, 2011-03-17. Writing in Dust is the first sustained study of prairie Canadian literature from an ecocritical perspective. Drawing on recent scholarship in environmental theory and criticism, Jenny Kerber considers the ways in which prairie writers have negotiated processes of ecological and cultural change in the region from the early twentieth century to the present. The book begins by proposing that current environmental problems in the prairie region can be understood by examining the longstanding tendency to describe its diverse terrain in dualistic terms, either as an idyllic natural space or as an irredeemable wasteland. It inquires into the sources of stories that naturalize ecological prosperity and hardship and investigates how such narratives have been deployed from the period of colonial settlement to the present. It then considers the ways in which works by both canonical and more recent writers ranging from Robert Stead, W. O. Mitchell and Margaret Laurence to Tim Lilburn, Louise Halfe and Thomas King consistently challenge these dualistic landscape myths, proposing alternatives for the development of more ecologically just and sustainable relationships among people and between humans and their physical environments. Writing in Dust asserts that reading environmentally can help

us to better understand a host of issues facing prairie inhabitants today including the environmental impacts of industrial agriculture resource extraction climate change shifting urban rural demographics the significance of Indigenous understandings of human nature relationships and the complex often contradictory meanings of eco cultural metaphors of alien invasiveness hybridity and wildness Big Worlds Jared J. Wesley, 2016-01-01 **Inside the NDP War Room** James S. McLean, 2012-11-01 The federal election campaign of 2005 06 offered the usual mix of lofty rhetoric competing interests and skullduggery Nonetheless this campaign laid the foundation for a major shift in Canadian politics bringing the Conservative Party to power and changing the balance of opposition parties Inside the NDP War Room takes readers behind the scenes to investigate the nature of credibility in the complex communicative game of election campaigns James McLean considers the ways in which the idea of credibility is used to explain how messages are crafted and articulated how journalists are implicated and what the Canadian public needs to know about what is at stake in the competition for votes He talks to insiders about their communication practices and strategies and reflects upon the grand narratives and small opportunistic moments brought before the Canadian public when power is up for grabs A vivid first hand account of campaign strategizing Inside the NDP War Room offers insights into the NDP breakthroughs of 2011 the full meaning of Quebec s orange wave and the future of a party preparing for a new reality **Growing Resistance** Emily Eaton, 2013-05-15 In 2004 Canadian farmers led an international coalition to a major victory for the anti GM movement by defeating the introduction of Monsanto s genetically modified wheat Canadian farmers strong opposition to GM wheat marked a stark contrast to previous producer acceptance of other genetically modified crops By 2005 for example GM canola accounted for 78 percent of all canola grown nationally So why did farmers stand up for wheat In Growing Resistance Emily Eaton reveals the motivating factors behind farmer opposition to GM wheat She illustrates wheat s cultural historical and political significance on the Canadian prairies as well as its role in crop rotation seed saving practices and the economic livelihoods of prairie farmers Through interviews with producers industry organizations and biochemical companies Eaton demonstrates how the inclusion of producer interests was integral to the coalition s success in voicing concerns about environmental implications international market opposition to GMOs and the lack of transparency and democracy in Canadian biotech policy and regulation Growing Resistance is a fascinating study of successful coalition building of the need to balance local and global concerns in activist movements and of the powerful forces vying for control of food production Canadian Political Economy Heather Whiteside, 2020-11-19 Engaging with themes of conflict change and crisis this book re invigorates the distinct interdisciplinary field of Canadian political economy *The Public Sector in an Age of Austerity* Bryan M. Evans, Carlo Fanelli, 2018-07-23 Following the 2008 global financial crisis Canada appeared to escape the austerity implemented elsewhere but this was spin hiding the reality A closer look reveals that the provinces responsible for delivering essential public and social services such as education and healthcare shouldered the burden The Public Sector in an Age of

Austerity examines public sector austerity in the provinces and territories specifically addressing how austerity was implemented what forms austerity agendas took from regressive taxes and new user fees to public sector layoffs and privatization schemes and what if any political responses resulted Contributors focus on the period from 2007 to 2015 the global financial crisis and the period of fiscal consolidation that followed while also providing a longer historical context austerity is not a new phenomenon A granular examination of each jurisdiction identifies how changing fiscal conditions have affected the delivery of public services and restructured public finances highlighting the consequences such changes have had for public sector workers and users of public services The first book of its kind in Canada The Public Sector in an Age of Austerity challenges conventional wisdom by showing that Canada did not escape post crisis austerity and that its recovery has been vastly overstated     Work in Tumultuous Times Vivian Shalla,Wallace Clement,2007-03-12 Using a progressive approach to political economy contributors propose alternative policies and practices that might secure more decent livelihoods for workers and their families
