The Millionaire Mind Thomas J. Stanley, 2001-08-02 The author answers questions most commonly asked of millionaires and gives examples of how you can make a million dollars in one generation

, THE CHINESE-AMERICAN METHOD Linda Hu; John X. Wang, 2013-01-24 Raising a child is challenging for many parents especially for a new immigrant family For those parents they not only have to face the challenges of integrating themselves into a new environment but they also need to handle the conflicts coming from two cultural backgrounds Like many Chinese Americans the authors inherited the traditional Chinese culture Yet they also opened their minds and embraced their new culture Through the collisions of these two cultures they developed a unique parenting strategy a combination of the best of both worlds to educate their children This approach offered them a cutting edge in developing their children to be among the most competitive As they raised their children they held parties to build their children s social groups used teamwork to create a harmonious family strengthening the family bonds helped their children excel in academic competitions taught their children how to be rigorous and strive for perfection inspired their children to explore innovative strategies to overcome obstacles developed their children s creativity leadership and initiative encouraged their children to be involved in the community and gave their children freedom to develop their individual personalities and discover their full potentials The authors believe that their story will be beneficial to other parents and also provide a new perspective of Chinese American

families for mainstream Americans *The Economics of Sport* Robert Sandy, Peter Sloane, Mark Rosentraub, 2017-03-14 This text by three distinguished authors applies the theories and techniques of economic analysis to sport and topics related to the business of sport. It builds on a basis of introductory microeconomics and continues the discussion generally at an intermediate standard. The text has an international perspective primarily the US, Canada, Europe, and Australia and contains relevant and entertaining case studies. The text suits both undergraduate and postgraduate students in that while it provides a clear progression of topics throughout, it also incorporates optional sections in each chapter of a higher and more challenging level.
