Christ's Lambs defended from Satan's Rage: in a just vindication of the people called Quakers ... from the unjust attempts of John Pennyman and abettors, in his malicious book, styled, the Quakers Unmasked ... by ... G. W. [i.e. George Whitehead.] George Whitehead, 1691 **Tales of Theology, Jehovah, Satan and the Christian Creed** Henry Mulford Tichenor, 1918 God's Revelation of the Lamb H. Dave Derkson, 2021-11-30

John 3 16 states For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life The next verse declares For God did not send His Son into the world to condemn the world but that the world through Him might be saved John 3 17 Both of these statements are the absolute truth and the Book of Revelation confirms it God's Revelation given to John shows how the Lamb brings that truth into the reality of our world Modern day theologians argue that the seven horns of this symbolic Lamb presents him as the judge and prosecutor of sin and the sinners of the world However this is a distortion of the text There is no scripture in the entire Bible where a secondary symbol transforms a primary symbol The Lamb is shown as the primary symbol in Revelation and that Lamb is repeatedly designated as humanity's redeemer

All Power to the Lamb James R. Johnson, 2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age

The Wedding of the Lamb James L. Papandrea, 2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the

proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church "The Gospel According to the Lamb's Bride" Barbara Ann Mary Mack,2007-09-12 The Gospel According To The Lamb s Bride consists of the compilation of ten books written by the author within the past five years The author refers to this book as a Bible because it consists of a spiritual dialogue between the author and Almighty God The Gospel According To The Lamb s Bride consists of prophetic utterances that were conveyed to the author by God Barbara speaking to Jesus the Lamb of God My Lord I thank You for allowing your bride Barbara the opportunity to share in the agony that You experienced when You walked among Your children O Holy Spouse of mine you have graced me with the privilege to share in the agony that comes with being the wife of the wounded Lamb of God You have blessed me with divine strength so that I will endure the suffering that accompanies my mission of Love O gracious spouse of mine shine on your chosen bride so that I will have the strength to withstand the agony that follows me to my destination with you God the father speaking of his brides Barbara exit from heaven 5 Let the Gates of Heaven open wide as you exit My daughter Let the Heavens sound its trumpets as you exit My love Let the doors to Paradise open wide as you exit
