**On Satan's Mount** Dwight Tilton,1903 **Satan's Strategy to Curse Christ's Congregation** Andy Woods,Keith A. Sherlin,2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

**Satan's Invisible World Discovered** George Sinclair,2023-07-10 In Satan s Invisible World Discovered George Sinclair delves into the complexities of the spiritual realm as understood in the early 17th century blending theological discourse with personal narrative This seminal work is rich in its literary style characterized by a meticulous persuasive prose that interweaves scripture and experiential accounts Sinclair employs a

dialectic approach to discuss the nature of evil demonic influences and the role of faith situating his exploration within the broader context of Reformation thought where faith and reason continually intersected amid burgeoning skepticism toward traditional doctrines George Sinclair a Scottish minister and theologian emerged during a tumultuous period of religious upheaval which profoundly shaped his perspectives on the spiritual conflict between good and evil Educated in the reformed traditions Sinclair s lived experience with the ecclesiastical challenges and his encounters with supernatural claims inspired him to address the often misunderstood dimensions of spiritual warfare His dedication to elucidating these themes reflects both a personal commitment to reformative Christianity and a scholarly desire to enlighten his contemporaries regarding the unseen forces at play in their lives For readers interested in the dynamics of faith spirituality and the metaphysical battles that underpin human existence Sinclair s *Satan s Invisible World Discovered* is an essential exploration This work not only challenges conventional theological perspectives but also provides a profound perspective that remains relevant today for those seeking a deeper understanding of the invisible struggles permeating the human experience
