The Discovery of Anxiousness Joana Serrado, 2023-12-04 Are anxiety or dread negative stages before freedom a confrontation with humans own mortality and finitude Joana Serrado inaugurates anxiousness as a category of mystical knowledge in this innovative historical and philosophical study Based on the life and mystical writings of Joana de Jesus a Cistercian nun intellectual disciple of Teresa of Avila this study shows the cultural embeddedness of anxiousness a feeling akin to the Portuguese term saudade yearning Sehnsucht A mystical project that reshapes feminist principles of autonomy agency and desire

**Emotions, Language and Identity on the Margins of Europe** K. Giorgi, 2014-09-02 When a word describing an emotion is said to be untranslatable is that emotion untranslatable also This unique study focuses on three word concepts on the periphery of Europe providing a wide ranging survey of national identity and cultural essentialism nostalgia melancholy and fatalism the production of memory and the politics of hope

*Fado and the Place of Longing* Richard Elliott, 2017-07-05 Fado often described as urban folk music emerged from the streets of Lisbon in the mid nineteenth century and went on to become Portugal's national music during the twentieth It is known for its strong emphasis on loss memory and nostalgia within its song texts which often refer to absent people and places One of the main lyrical themes of fado is the city itself Fado music has played a significant role in the interlacing of mythology history memory and regionalism in Portugal in the second half of the twentieth century Richard Elliott considers the ways in which fado songs bear witness to the city of Lisbon in relation to the construction and maintenance of the local Elliott explores the ways in which fado acts as a cultural product reaffirming local identity via recourse to social memory and an imagined community while also providing a distinctive cultural export for the dissemination of a remembered Portugal on the global stage

Trans-Generational Family Relations Isabelle Albert, Emily Abbey, Jaan Valsiner, 2018-02-01 The present volume deals with the experience of ambivalence in family relations a well known phenomenon that has inspired more and more research and theorizing in the last years but that is however sometimes difficult to capture Bringing together junior

and senior researchers from different parts of the world ideas on theory and research are elaborated following qualitative and quantitative approaches This book thus contributes to theory building as well as outlining research results and helping to develop measurement in interpersonal and intergenerational relations      *International Handbook of Emotions*

Claude-Hélène Mayer, Elisabeth Vanderheiden, 2025-05-10 Volume 2 of this two volume handbook extends the foundational understanding of emotional well being through the lens of positive psychology into the realms of cultural diversity societal impacts and the influence of technology This volume offers an in depth examination of the societal impact of emotions cultural interpretations and the emerging significance of digital and robotic interactions with emotions It encompasses a wide range of topics including the effects of global crises on emotional well being the role of art and literature in understanding emotions and the future of emotional intelligence in the age of digital technology Studies featured in this Volume 2 provide insight into emotional experiences across diverse cultures the resilience of immigrants and refugees and the psychological dynamics of collective behaviour alongside considerations of how technology is reshaping our emotional lives The volume stands as a critical academic resource enriching the discourse on the global and transcultural dimensions of emotional well being It highlights the pivotal role of cultural and technological considerations in advancing our understanding of emotions and sets a new benchmark for research and practice in the field Aimed at scholars researchers and practitioners in psychology cultural studies and technological innovation this volume also addresses educators policymakers and anyone with a keen interest in understanding the complex interplay between emotion culture and technology By bridging gaps between disciplines this volume fosters a more comprehensive and nuanced understanding of emotional well being across different cultural contexts and technological environments It prompts interdisciplinary dialogue offering evidence based insights for mental health practices educational strategies and policymaking Emotion science has progressed enormously in the last decade For those wishing to get insight into the depth and breadth of this progress this is a terrific edited 2 volume overview brought together by two internationally recognised emotion researchers It takes a biopsychosocial approach exploring the multiple dimensions of emotion science and how it can be applied to many different aspects of human life from therapy through to the organisation of communities It will be a must have book for anyone interested in understanding the complexities of emotions Prof Paul Gilbert PhD FBPsS OBE Centre for Compassion Research and Training College of Health Psychology and Social Care University of Derby United Kingdom      *Against World Literature*

Emily Apter, 2014-06-17 *Against World Literature* On the Politics of Untranslatability argues for a rethinking of comparative literature focusing on the problems that emerge when large scale paradigms of literary studies ignore the politics of the Untranslatable the realm of those words that are continually retranslated mistranslated transferred from language to language or especially resistant to substitution In the place of World Literature a dominant paradigm in the humanities one grounded in market driven notions of readability and universal appeal Apter proposes a plurality of world literatures oriented

around philosophical concepts and geopolitical pressure points The history and theory of the language that constructs World Literature is critically examined with a special focus on Weltliteratur literary world systems narrative ecosystems language borders and checkpoints theologies of translation and planetary devolution in a book set to revolutionize the discipline of comparative literature

**Being Portuguese in Spanish** Jonathan William Wade, 2020-04-15 Among the many consequences of Spain's annexation of Portugal from 1580 to 1640 was an increase in the number of Portuguese authors writing in Spanish One can trace this practice as far back as the medieval period although it was through Gil Vicente Jorge de Montemayor and others that Spanish language texts entered the mainstream of literary expression in Portugal Proficiency in both languages gave Portuguese authors increased mobility throughout the empire For those with literary aspirations Spanish offered more opportunities to publish and greater readership which may be why it is nearly impossible to find a Portuguese author who did not participate in this trend during the dual monarchy Over the centuries these authors and their works have been erroneously defined in terms of economic opportunism questions of language loyalty and other reductive categories Within this large group however is a subcategory of authors who used their writings in Spanish to imagine explore and celebrate their Portuguese heritage Manuel de Faria e Sousa ngela de Azevedo Jacinto Cordeiro Ant nio de Sousa de Macedo and Violante do C u among many others offer a uniform yet complex answer to what it means to be from Portugal constructing and claiming their Portuguese identity from within a Castilianized existence Whereas all texts produced in Iberia during the early modern period reflect the distinct social political and cultural realities sweeping across the peninsula to some degree Portuguese literature written in Spanish offers a unique vantage point from which to see these converging landscapes Being Portuguese in Spanish explores the cultural cross pollination that defined the era and reappraises a body of works that uniquely addresses the intersection of language literature politics and identity

**Amácio Mazzaropi in the Film and Culture of Brazil** E. Bueno, 2012-07-03 Am cio Mazzaropi's work is a unique instance in Brazilian culture as an artist not connected with the subsidized film industry he developed a singular voice and represents a segment of the population usually either ignored or viewed with contempt by the established experimental filmmakers

Saudade Portugal: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Saudade Portugal : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Saudade Portugal : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Saudade Portugal : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
