Saul Bellow In Defense Of Man:

Saul Bellow John Jacob Clayton,1968 *Saul Bellow : in defense of a man* John Jacob Clayton,1971 *Saul Bellow and American Transcendentalism* Mohammad A. Quayum,2004 Saul Bellow and American Transcendentalism explores Saul Bellow s moral and philosophical affinity with the writers of American transcendentalism especially Emerson and Whitman Its focus is on the vintage Bellow or his mature novels from *Henderson the Rain King* 1959 to *The Dean s* December 1982 In these novels Bellow highlights a moral crisis arising from humankind s despiritualization and dehumanization which he believes is responsible for an ongoing dichotomy in the modern world Bellow describes this as a dichotomy of the Cleans and the Dirties in the context of American culture To rectify this dichotomy and redeem humankind from its current death ridden state Bellow and his protagonists advance a vision of life that corresponds to the transcendental vision of dialogue and double consciousness or coordination and balance Like Emerson they advocate The mid world is best A man is a golden impossibility the line he must walk is a hair s breadth Comparable to Whitman they urge the individual to knit the knot of contrariety and act as an arbiter of the diverse *Companion to Literature* Abby H. P. Werlock,2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student ResearchersRUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **Saul Bellow and the Decline in Humanism** Michael K. Glenday,1990-06-18 This is a study revealing Saul Bellow s views on the decline of humanism With chapters on each of Bellow s novels from *Dangling* to *More Die of Heartbreak* the author argues that Bellow s vision of modern American culture denies the possibility of humanist enlightenment for his heroes *The Cambridge Companion to Saul Bellow* Victoria Aarons,2017 This book demonstrates the complexity of Bellow s work by emphasizing the ways in which it reflects the changing conditions of American identity **Saul Bellow Against the Grain** Ellen Pifer,1991-06 Pifer contends that Bellow s fiction is fundamentally radical Going against the grain of contemporary culture and its secular pieties he undermines accepted notions of reality and challenges the orthodoxies created by materialist values and rationalist thought Charged by his belief in the soul his 10 novels test the assumptions of traditional realism Pifer stresses the importance to Bellow of the invisible world the longing for revelation and the capacity to love and to suffer She also shows how Bellow s hero is a man torn between his modern predilection for secular rationalism and a primordial attachment to the soul and how he is led to demolish reigning idols of contemporary thought and culture ISBN 0 8122 8203 5 29 95 *Re-Thinking Theory* Richard Freadman,Seumas Miller,1992-05-07 These deficiencies are ascribed principally to three aspects of modern theoretical schools the commitment to a non referential view of language the rejection of substantive accounts of the individual and a repudiation of moral and aesthetic evaluation The alternative account offered by Professors Freadman and Miller incorporates the values renounced by contemporary literary theory and places a central emphasis on ethical discourse *The Woman in the Novels of Saul Bellow* Ram Prakash Pradhan,2006 The Book Presents In Brief A Critical Study Of Saul

Bellow's vision of woman in general as the novelist has presented a variety of women having contradictory traits. Any attempt at flat generalisation has been considered forbidding in spite of his Jewish lineage and specific Jewish themes. Saul Bellow has established himself as a humanistic and conscientious American novelist. Hence such conception as popular in Jewish tradition that his woman characters must occupy a subordinate place and their freedom of mind shall be restricted seems to be futile far from being misogynous as it is sometimes alleged by a few critics. His vision of woman appears to be balanced, objective and free from personal prejudice. The book is a valuable study on Nobel Laureate Saul Bellow and all those who admire his works would find it interesting and useful as it will enable them to see his characters from a different perspective. Students and also the teachers of English literature will find it highly informative.

Repression and Realism in Post-War American Literature E. Mercer, 2011-05-09 This study of fiction produced in America in the decade following 1945 examines literature by writers such as Kerouac and Bellow. It examines how though such fiction seemed to resolutely avoid the events and implications of World War II it was still suffused with dread and suggestions of war in imagery and language.

The Absurd Hero in American Fiction David D. Galloway, 2014-06-30 When *The Absurd Hero in American Fiction* was first released in 1966, Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature. In the years that followed, David Galloway's analysis of the writings of John Updike, William Styron, Saul Bellow and J.D. Salinger became a standard critical work, an indispensable tool for readers concerned with contemporary American literature. The *New York Times* described the book as a seminal study of the modern literary imagination. David Galloway himself, an established novelist, later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970. Among them are John Updike's *Couples*, *Rabbit Redux* and *The Coup*; William Styron's *The Confessions of Nat Turner* and *Sophie's Choice*; and Saul Bellow's *Mr Sammler's Planet* and *Humboldt's Gift*. Through detailed analyses of these works, Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists.
