

The background of the entire image features three young women with long, wavy hair and bright red lipstick. They are all looking directly at the camera with serious, intense expressions. The woman in the center is slightly more prominent than the two flanking her. They appear to be wearing light-colored, possibly white, tops. The background behind them is a mottled green and yellow color.

Everyone
wants to be in their gang.

Across the Solar System Rod Theodorou, 2006 You are about to go on an amazing journey Grab your backpack and your notebook and come with us across the Solar System Discover the largest planet in the Solar System and which planet is closest to Earth Use the map to help you find your way across the huge distances of space Your spaceship's databank will tell you all you need to know about the planets you will visit on your journey Learn about the technology that humans have used to find out more about the Solar System Catholic Sisters, Narratives of Authority, and the Native American Boarding Schools, 1847-1918 Elisabeth C. Davis, 2024-11-30

Catholic Sisters Narratives of Authority and the Native American Boarding Schools 1847-1918 brings to light a largely unknown history of the Catholic Native American Boarding Schools run by Catholic Sisters Elisabeth C Davis examines four schools the first one established by Catholic women in the United States in 1847 and the last ending in 1918 Using previously unexplored archival material Davis examines how Catholic Sisters established authority over their students and the local indigenous communities In doing so Davis sheds new light on the role of women during the eras of American expansion settler imperialism and the boarding school era **Re-Composing**

YouTube Jonas Wolf, 2024-10-29 YouTube features a wide array of multimodal musical figurations including fan made music videos musical aestheticisations of pre circulating content and musical self performances Jonas Wolf explores open ended forms of musical creative relay on YouTube delving into formal imitative affective and non institutional aspects of networked media remix and self aestheticisation Beyond creating value for non musical fields of discourse this study is directed at filling a gap in a largely ocularcentric domain of study It provides a concise theory of vernacular composition within our time's total digital archive that accounts for socio aesthetic phenomena and their relation to systems of knowledge control and discourse
