theatre and music the number of children establishing a presence in public life continues to proliferate Childhood and Celebrity brings together international scholarly writing and research about famous children and representations of childhood from a range of disciplines including Childhood Studies Celebrity Studies Cultural Studies and Film Studies in order to open up a theoretical space in which to explore and understand the complex relationship between contemporary childhood and celebrity culture This unique collection includes detailed case studies of specific child performers such as McCaulay Culkin and Miley Cyrus histories of child stars in the Golden Age of Hollywood analyses of representations of children in film and discussions of children as media creators and producers Key themes of transgression gender coming of age childhood innocence and children's rights recur in the chapters and present a compelling argument for the emergence of the field of Childhood and Celebrity as an area of study in its own right *Vagabonds, Tramps, and Hobos* Owen

Clayton, 2023-08-10 The most enduring version of the hobo that has come down from the so called Golden Age of Tramping 1890s to 1940s is an American cultural icon signifying freedom from restraint and rebellion to the established order while reinforcing conservative messages about American exceptionalism individualism race and gender *Vagabonds Tramps and Hobos* shows that this pioneer hobo image is a misrepresentation by looking at works created by transient artists and thinkers including travel literature fiction memoir early feminist writing poetry sociology political journalism satire and music This book explores the diversity of meanings that accrue around the hobo and the tramp It is the first analysis to frame transiency within a nineteenth century literary tradition of the vagabond a figure who attempts to travel without money This book provide new ways for scholars to think about the activity and representation of US transiency **Girl Gangs, Biker**

Boys, and Real Cool Cats Iain McIntyre, Andrew Nette, 2017-12-01 *Girl Gangs Biker Boys and Real Cool Cats* is the first comprehensive account of how the rise of postwar youth culture was depicted in mass market pulp fiction As the young created new styles in music fashion and culture pulp fiction shadowed their every move hyping and exploiting their behaviour dress and language for mass consumption and cheap thrills From the juvenile delinquent gangs of the early 1950s through the beats and hippies on to bikers skinheads and punks pulp fiction left no trend untouched With their lurid covers and wild action packed plots these books reveal as much about society's deepest desires and fears as they do about the subcultures themselves *Girl Gangs* features approximately 400 full color covers many of them never reprinted before With 70 in depth author interviews illustrated biographies and previously unpublished articles from more than 20 popular culture critics and scholars from the US UK and Australia the book goes behind the scenes to look at the authors and publishers how they worked where they drew their inspiration and often overlooked the actual words they wrote Books by well known authors such as Harlan Ellison and Lawrence Sanders are discussed alongside neglected obscurities and former bestsellers ripe for rediscovery It is a must read for anyone interested in pulp fiction lost literary history retro and subcultural style and the history of postwar youth culture Contributors include Nicolas Tredell Alwyn W Turner Mike Stax Clinton Walker Bill Osgerby

contrast to the socially homogenous and spatially ordered suburbs Discussing the design of parking garages and street lighting the dynamics of mugging panoramas of ruin and the optics of undercover police operations in such films as Klute The French Connection Detroit 9000 Death Wish and The Taking of Pelham One Two Three Nathan Holmes demonstrates that crime genres did not simply mirror urban settings and social realities but actively produced and circulated new ideas about the shifting surfaces of public culture Rejecting the easy abstractions and postmodern playfulness of noir and neo noir criticism Holmes places 1970s crime films as he says in relation to the urban context that was their location setting and subject He does this brilliantly convincingly and uniquely David Desser former editor Cinema Journal Savage Streets William Peter MACGIVERN,1962 **New York Magazine** ,1984-10-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Laws of the Colony and Protectorate of Sierra Leone Sierra Leone,1946
