**The Flame of Life** Alan Sillitoe, 2016-04-19 A portrait of individual and communal struggles to maintain authenticity and revolutionary fervor in 1960s England from award winning bestselling author Alan Sillitoe The final installment of the William Posters Trilogy revolves around the plights and foibles of the Handley family commune which set up camp at the home of the wealthy Myra Bassingfield There painter Albert Handley is pursuing a whirlwind existence of art sex and chaotic domestic life Of his seven children four are giving him particular grief His eldest son Cuthbert has been kicked out of theological college his eldest daughter Mandy is pregnant by her unstable husband and two of his younger sons Richard and Adam are pillaging army manuals for subversive and revolutionary ends To top it all off Myra s lover Frank Dawley has returned from gunrunning in Algeria and brought along his wife and two kids from Nottingham to live in the Buckinghamshire kibbutz Collective cohabitation soon reveals its downfalls And when a young Spanish anarchist arrives with assassination on her mind her trunk full of notebooks may condemn Frank for a sin committed in the African desert As the community hangs by a thread the very notion of revolution comes under scrutiny begging the question Can the fire of life burn even when its flame is no longer in sight This ebook features an illustrated biography of Alan Sillitoe including rare images from the author s estate

**Virgo to Virago** Kirsty Corrigan, 2013-07-29 The infamous and formidable mythological figure of Medea has deservedly held an enduring appeal throughout the ages This has perhaps never been more true than in the Silver Age of Latin literature when the taste for rhetorical excess and the macabre made the heroine and especially her notorious acts of witchcraft and the slaughter of her own children in revenge for her husband s infidelity a particularly suitable and attractive topic for literary treatment By examining the portrayal of this remarkable figure in the works of Ovid Seneca and Valerius Flaccus *Virgo to Virago* Medea in the Silver Age offers a comprehensive study of the representation of the heroine not only in this specific period but in the entire Roman era since these three authors provide the only substantial accounts of this figure to have survived in Classical Latin Through close analysis of the texts *Virgo to Virago* explores the characterisation of Medea whose mythical life was inevitably overshadowed by her legendary behaviour considering whether these accounts merely accord with the particular traits of the Silver Age or

whether this mighty female character has any claim to sympathy or admiration in these texts The book simultaneously examines how the Latin authors compare with and differ from both one another and their extant Greek and Roman predecessors concluding with a discussion of the significance of any comparisons to be drawn between these portrayals of the Roman Medea Death Dreams and Ghosts Aniela Jaffé,2020 A collection of death dreams and ghost stories were gathered and presented to C G Jung and the author who approaches this fascinating material from the depths of her analytic experience among the Swiss who are commonly regarded as stolid unimaginative rationalistic and materialistic there are just as many ghost stories and suchlike as say in England or Ireland Indeed as I know from my own experience magic as practiced in the Middle Ages has by no means died out but still flourishes today I can recommend it to all those who know how to value things that break through the monotony of daily life with salutary effects sometimes shaking our certitudes and lending wings to the imagination from the Foreword by C G Jung We are left in the overpowering presence of a great mystery

**The Complete Old English Poems** ,2017-01-31 From the riddling song of a bawdy onion that moves between kitchen and bedroom to the thrilling account of Beowulf s battle with a treasure hoarding dragon from the heart rending lament of a lone castaway to the embodied speech of the cross upon which Christ was crucified from the anxiety of Eve who carries a sumptuous secret in her hands And a tempting truth hidden in her heart to the trust of Noah who builds a sea floater a wave walking Ocean home with rooms for all creatures the world of the Anglo Saxon poets is a place of harshness beauty and wonder Now for the first time the entire Old English poetic corpus including poems and fragments discovered only within the past fifty years is rendered into modern strong stress alliterative verse in a masterful translation by Craig Williamson Accompanied by an introduction by noted medievalist Tom Shippey on the literary scope and vision of these timeless poems and Williamson s own introductions to the individual works and his essay on translating Old English poetry the texts transport us back to the medieval scriptorium or ancient mead hall to share a herdsman s recounting of the story of the world s creation or a people s sorrow at the death of a beloved king to be present at the clash of battle or to puzzle over the sacred and profane answers to riddles posed over a thousand years ago This is poetry as stunning in its vitality as it is true to its sources Were Williamson s idiom not so modern we might think that the Anglo Saxon poets had taken up the lyre again and begun to sing once more
