Savage Horizons:

Savage Horizons Rosanne Bittner,1987 **Savage Horizons** CJ Birch,2018-08-14 Captain Jordan Kellow knows all too well that change only takes a moment to rip through your life Since the moment she escaped the Burrs and her father her life has been a series of life altering moments She thought she d built an inner strength that would see her through every obstacle until she meets Lt Ash on the eve of her first mission in command Her feelings for Ash have her past and future colliding setting in motion a series of events that strands her crew in an unknown galaxy thousands of light years from home Now Jordan must decide which moment will define her future Is she the captain of the Persephone in command of her ship and her life Is she strong enough to forgive her father for past wrongs And most important of all is she brave enough to fight for the woman she wants

I Know What I Know Todd S. Jenkins,2006-06-30 From the mid 1940s until his death in 1979 Charles Mingus created an unparalleled body of recorded work most of which remains available in the 21st century While there have been several volumes devoted to Mingus s colorful and tumultuous life this is the first book in the English language to be devoted fully to his music General jazz fans as well as musicians and music students who would like a better understanding of Mingus s complex often difficult music will find a complete chronologically arranged listener s guide to all of his legitimate recordings from the 70s he recorded in Los Angeles and San Francisco in the mid 1940s through the legendary albums he made for Columbia Candid Atlantic and his own labels In the process of providing these in depth examinations Jenkins corrects common errors and clears away old misconceptions about certain recordings His approach will illuminate long obscure aspects of this imposing and incredibly creative man s contributions to the art of jazz Touching upon Mingus s many innovations as a jazzman I Know What I Know explores his advancement of the art of bass playing his assimilations of Ellington and Monk with ideas leaning toward free jazz his experiments with ensemble dynamics instrumentation and extended form and his working relationships with partners such as Jaki Byard Eric Dolphy Jimmy Knepper and Dannie Richmond The book provides a broad informative overview of Mingus s work without veering into technical musical terminology Readers without an extensive background in music will thus understand and appreciate the analyses provided and be able to use them to enhance the experience of listening to the brilliant work of this legendary jazz great

The Edge of Yesterday CJ Birch,2021-11-16 Easton Gray is sent from the future to prevent the end of the human race after nanotechnology spreads rapidly leading to danger and disaster As an operative for the Ministry of Discourse Easton s only goal is to eradicate the technology Dr Tess Nolan is alone except for the company of her rescue dog Lou It s not until a stranger shows up in town and her life is turned upside down that she realizes the love she s been missing Easton is everything Tess didn t know she wanted but her warning bells are sounding There s something too convenient about Easton s arrival Caught between her need to follow orders and her growing feelings for the beautiful doctor Easton begins to question everything she knows leading her on an investigation that will change not just her life but the future as well When forced to

target Tess can Easton do what s needed to save humanity Or will finally finding the one person who feels like home prove impossible to ignore **Sequels** Janet G. Husband,Jonathan F.
