French fathers mostly sugar plantation owners and slave mothers in France's most prosperous overseas colony. In the fall of 1779 this force joined the attack on the British at Savannah in a series of frontal assaults. The French and Americans were repulsed at great cost in lives but the free Black Haitians stood their ground and in a moment of high courage that has never received its due stymied a British counterattack that salvaged the day for the Americans and French. A rock at Savannah on behalf of the American Revolution many of the Haitian survivors of the battle went on to serve the cause of liberty in the Haitian Revolution and help found the first Black republic in world history. This is their story Patriot Militiaman in the American Revolution 1775-82 Ed Gilbert, Catherine Gilbert, 2015-06-20. The American Revolution was a decisive conflict which saw the birth of a new nation. Continental Army regulars fought in massive and famous battles from New England to Virginia but in the South a different kind of warfare was afoot. Local militia sometimes stiffened by a small core of the Continental Line played a pivotal role. This lesser known war ultimately decided the fate of the Revolution by thwarting the British Southern strategy. In this title the authors provide a unique and personal focus on the history of their own ancestors who fought for the South Carolina Militia to show just how effective the irregular forces were in a complex war of raids, ambushes and pitched battles. The book explores the tactics, equipment, leadership and performance of the opposing Patriot and Rebel forces, shining new light on the vicious struggle in the South. Ships and Seamen of the American Revolution Jack Coggins, 2002-01-01. This carefully researched account of a lesser known but vital aspect of the American war for independence chronicles exciting ship to ship battles, Benedict Arnold's efforts to build a fleet in Lake Champlain, the harassment of British ships by privateers, David Bushnell's sub marine vessel and floating mines, uniforms and much more.
